## MAY QUEEN RULES ANNOUNCED

### Blue Masquers Rehearsing For April Production

**"The Flies" To Be Presented For Second Time in America On April 18th**

The Blue Masquers have been working early and late for the past few weeks in order to present to the campus the second American performance of "The Flies."

The subject of this play, so unusually called, is taken from the Agamemnon Trilogy by Aeschylus, but by clever manipulation Jean Paul Sartre has worked into his latest hit a philosophy as new as the atomic bomb, and twice as far reaching. This philosophy is Existentialism, the idea that man is on this earth to live, subject to no power greater than his own freedom of reason. The ideas put forth and the mode of their presentation reach a power in dramatic expression surpassed only by the great Shakespeare.

Every member of the University of Buffalo will have an opportunity to share the experience of this new production on the nights of April 18, 19, and 21 at 8:30 P.M. The price of admission is \$1.00, and due to seating capacity limits of Norton Auditorium, only 400 seats are available for each performance.

### Chassin Begins New Campus Red Cross Troupe

**Group Needs Pianist, Clarinet Player And Feminine Vocalist**

A Red Cross troupe has been organized on Campus under the direction of Lois Chassin in order to entertain hospitalized veterans for whom the war is not yet over.

The response has been great, but there are still several vacancies.

### Cap And Gown Candidates To Be Tapped At Ball

**Members To Be Selected On Basis Of Scholarship And Activities**

The Cap and Gown Honorary Senior Women's Society will tap its new Junior members at the Annual Home Concert and Ball, which will be held on April 12th, in Kleinhans Music Hall.

The members are selected according to scholarship and activities. They must have maintained at least a "C" average.

### Treasure Dance To Be Given By Independents

**Three Door Prizes Of \$100 To Be Awarded; Treasure Hunt Scheduled**

This Friday evening, April 11th, the Independents and the Vets' Club of the University of Buffalo will present an informal Treasure Dance at the Grover Cleveland Country Club. The feature of the evening will be a treasure hunt which is to be followed by dancing and the awarding of door prizes.

### Grid and Cage Squads Feted At Transit Valley

**Lou Corriere Receives "Outstanding Athlete of 1947" Trophy**

Amidst three - inch thick steaks, members of the football and basketball squads and numerous sport notables were guests at the banquet held at Transit Valley Country Club last Tuesday evening. The high success achieved by both the grid and cage squads was recognized and new slants upon future University of Buffalo athletic efforts were brought to light.

High spot of the evening found grid mentor James Peelle presenting the Jack Dempsey trophy to Lou Corriere, chosen Buffalo's "Outstanding Athlete of 1947" by the student body. Corriere, both upon field and court, has been consistently a high-scorer, team player, and valuable man. In the choice all qualities of an outstanding athlete were fulfilled by Lock City Lou, namely enthusiasm, cooperation, sportsmanship, ability, and achievement.

Blocking back Bill Rudick and cohort of Lou's on the court was the very close second choice of the student body for this singular honor. It has been learned that the Adam Hat trophy presentation will become an annual affair. The University of Buffalo, along with more than four hundred other schools, will continue to present this award.

A well-filled speakers' table found such men as the members of the Faculty Committee, Chairman Reginald Pegrum, members of the Athletic Council and Sports Boosters, Earl Brown, James Crowde, and Father Dineen of Canisius; Taps Gallagher and Jim Moran of Niagara; official Tommy Hughitt, and former All-American quarterback, Dick Offenhamer, now of Colgate, and his successor at Kenmore, Leroy.

### Publicity For Moving-Up Day Queen Begins

**Elections To Be Held In West Room of Norton Wednesday, April 30th**

"For I'm to be Queen of the May, tra-la," were the joyful words expressed by a rather disheveled - looking character capering up and down the lawn between Foster Hall and Norton Union—(mad fool that he was — in all that mud too) — after a quick trip to Bitterman's. The Moving-Up Day Committee doesn't want to be too harsh with this poor unenlightened creature, but they feel it's their duty to inform this misguided soul that only members of the fairer sex may compete for the title of Moving-Up Day Queen. (Sorry, old boy, better luck next time).

Now, in order to familiarize students with what is going to be the procedure, an attempt will be made to place the data on a—(get away from me, bub, I told you you weren't eligible) level the average college student will comprehend.

The rules are few and simple. Any organization or school on campus may enter one candidate, provided she is a student in the day sessions at the University. The various organizations have been notified and publicity campaigns may begin today. The only restrictions are the limiting of the poster size to 14" x 22", and the permitting of only one poster per building. The names of these candidates together with their respective sponsors must be submitted to Bud Figler in care of Norton Counter on or before Friday, April 11th. Any submitted after that date will not be considered eligible. Also a 2" x 3" photograph of each candidate must be turned in to Bud at the Counter before Friday, April 18th, for publication in the BEE.

The election will take place in the West Room of Norton Union on Wednesday, April 30th.

## EDITORIAL

### TO ALL ORGANIZATIONS ON CAMPUS

Many of the organizations on campus have been a bit maladjusted of late over the method by which "BEE Briefs" and "With The Greeks" are compiled and presented. There have also been numerous complaints over news stories of the doings of one group or another which didn't receive the notice that their sponsors felt they should receive.

Since complaints seem to be in order, we are going to do some complaining of our own. First about groups which hand in items for either of the columns whenever they feel like it, which is usually about four on a Tuesday afternoon, we don't like them too well. The other main group we dislike with a mad Russian fervor is made up of people who rush into the office with a "big story" on some event their group is planning. This "big story" consists of two or three facts hastily scribbled on a sheet of paper and dumped on a desk in the office which some member of the staff then has to try and beat into a story. Then, on Friday, some member of these two types of student groups invariably rushes up to some member of the staff and starts complaining madly about the way they were treated in the BEE.

In order to alleviate the mutual sufferings of both the BEE staff and the groups which desire publicity a new policy is being inaugurated. Beginning tomorrow all material for either of the columns previously mentioned must be submitted to the BEE office by 1 P.M. on Tuesday afternoon. If this material is not in our hands by this time it will not be printed, regardless of what group submits it or to whom they submit it. Further, any group desiring publicity for an event through a news story will be expected to leave word of this fact in the BEE mailbox at the counter not later than the Friday previous to the issue of the BEE in which they want the story to appear. Such communications should be labeled ATTN. NEWS EDITOR. Finally, we must inform all concerned that in matters of story placement we must be the final judge of what shall go where. We do guarantee, however, that in attaching importance to any story the only consideration will be its relative importance to the student body as a whole. Those are the conditions under which material for the BEE will be handled in the future and all student activities are now to consider themselves fully warned.
