### Students Will Cast Votes For Board of Managers Wed.

Next Wednesday, March 15, is election day for representatives on the Board of Managers. Students are reminded to bring their Norton Union Cards and vote. The voting will probably take place between the hours of 9:30 A.M. and 3:30 P.M.

This year's election will be run by the Student Councils represented by the president and the student council representatives from each of the five schools. However, these representatives will not supervise elections in their own schools. The Student Council from Pharmacy will govern elections in the school of Business; Business in Education; Arts and Science in Engineering; Engineering in Arts and Sciences; and Education in Pharmacy.

You may vote only in your school and only upon presentation of your Norton Union card. Ballot boxes will be placed in Hayes Hall, Crosby Hall, Foster Hall, the Engineering Building and gym. A list of students enrolled in the various schools will be posted next to the ballot boxes. As you vote, you will be required to sign opposite your name on that list. At this time your Norton card will be punched. The ballots for this election will be printed forms as contrasted with the mimeographed slips used in former years.

Each student may vote for three officers, five members at large and one candidate from his school. Below are the lists of candidates in their respective divisions.

### Princess Marge Becomes Queen At Junior Prom

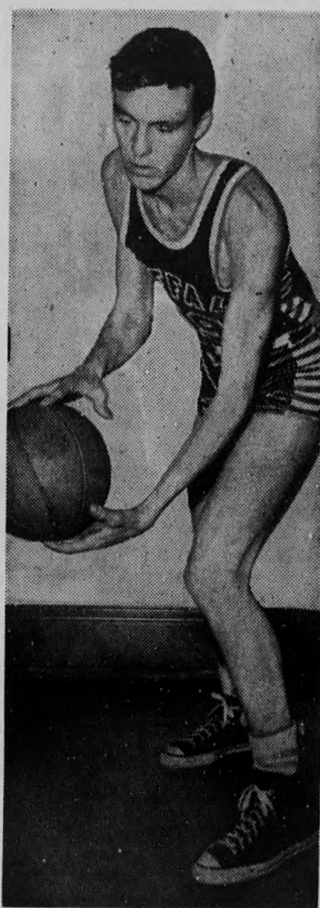

Following a hectic week of charges and counter-charges by the various queen candidate supporters, the Junior Prom of last Saturday night became history with hardly a passing whimper.

At twelve-thirty it was announced to the general acclaim of the assembled students that Miss Margaret Healy had been elected queen of the Junior Prom. A surprise guest Don Cornell, popular vocalist formerly with Sammy Kaye's orchestra and now appearing at the Town Casino, placed the crown on Margaret's flowing brunette tresses and then kissed the blushing Queen on the cheek. She was then presented with the BXE queen cup and a large bouquet of carnations by Chuck Schneider.

During the grand march, which followed, the 12 members of Bison Head of last and former years tapped their new men. They include Mike Bellaweck, Ted Breach, Jim Dunn, Jean Haar, Ludwig Koukal, Don Lever, Bud Millane, Henry Rose, and Don Ross.

The dancers gathered around the band stand as Fred Baynes, president of Bison Head announced the names of the new men and made a cursory resume of their activities. The men of Bison Head have tentatively planned a banquet to welcome their new members.

### Soph of Year Award Given To Hal Kuhn

Last Saturday night before the Canisius-Niagara basketball game at the Memorial Auditorium popular Hal Kuhn, slender 18-year-old forward of the UB basketball team, was presented with The Buffalo Evening News trophy for Sophomore-of-the-year in Western New York college basketball.

Dr. James H. Crowdle, director of the Aud. games, made the presentation before a hushed crowd which later gave Hal a resounding ovation. He accepted the cup in his usual modest manner and in a short speech of acceptance laid full credit for his abilities on the court to the teaching of Coach Mal Eiken.

This marks the first time in the history of the award that a UB athlete has won it. Hal was selected over several strong contenders which included Joe Smyth and Jack Spanbauer of Niagara; Don Solinsky and Paul Nolan of St. Bonaventure; Herman Hedderick, Bob Stoetzel and Randy Sharp of Canisius. In a show of sportsmanship Smyth walked over to Kuhn after the ceremony to shake his hand congratulating him.

Kuhn, who along with Chalmers, this year broke the old UB scoring record of 265 points set in 1947 by Lou Correire with 275 points and, according to Coach Eiken, could have racked-up an even higher total had he not been so willing to set-up the shots for the others instead of making them himself. Mal Eiken sings loud his praises of Hal insisting against no one's opposition that he is through and through a gentleman and one of the best stars it has been his pleasure to

### Peelle Speaks At G.A.C. Meeting Held Here Wed.

A meeting of the general activities committee was held Wed. evening with Jack Keller acting as Chairman. The purpose of the meeting was to further clarify and elucidate the aims and purposes of the organization. As outlined at the meeting, the primary function of the committee is to co-ordinate the activities of the various and sundry organizations, both fraternal and non-fraternal, on campus. By means of this power which it hopes to have invested in it, GAC will eliminate the now present conflicts between organizations for use of space in Norton Union.

As it stands now the organization is composed of one representative from each campus organization. A Steering Committee has been elected. Its membership of twelve is broken down as follows: four from Fraternities, four from independent organizations, two from departmental organizations, and two from unit organizations.

At the present time plans are being made to reorganize the Norton Calendar. Also included on the agenda are the problems of student school spirit, dormitories, Athletic Scholarships, and lastly, a method whereby the organization may tax its members in order to raise funds to support the work of the committee.

A Wednesday meeting James E. Peelle, director of athletics, spoke to the group on the growing need for student attendance at the University's athletic functions. Mr. Peelle pointed out the necessity for increased attendance in order that we may attract schools with a greater Athletic reputation. He also expressed the hope that the representatives present would carry his message to their organizations.

It is urged that those organiza-
