

Don't Read This con't

in the deepest, most sultry voice possible.....and after the "Hello" you rudely remark "Oh it's you!" as you realize that it was not the person you wanted it to be. Am I confusing you? Sorry!

Terry Brennan. You gotta love this guy. He has done so much for the Press and the Press staff that we can never thank him enough. So if you are ever in the Union, go down to the Print Shop and say "Good job, Ter!!". I'm sure he'll appreciate it. I would write a whole column about him, BUT we all know what happened the last time I did that.

Let's end on that note.
Notice I haven't apologized.

One Act Plays to be cast

Attention all students interested in acting in a theatrical production: Once again, the Cortland State Theatre Department will present a Festival of Contemporary Short Plays, and auditions for all of these one act shows will be held on Monday, April 9, from 3-5 p.m. and again from 7-9 p.m., and on Tuesday, April 10, from 7-10 p.m.

These performances, free and open to the public, will showcase the efforts of five Cortland State student directors.

Kelly Dundon directs *Chamber Music*, Kristin Gates directs *Terminal Bar*, Kathleen Hands directs *The Root of Chaos*, Brian Merriman directs *Picnic on the Battlefield*, and Ivy Phillips directs the *American Dream*. All five plays present a variety of ages and types to cast, and contain parts for at least 19 women and 10 men. If you would like to read these plays first, scripts are on reserve at the library under Dr. Palmer's name. Audition packets and information can be picked up at the theatre office in Dowd Fine Arts.

Rams (March 21-April 20) Give thanks to the lord for the many blessings he has bestowed upon you. Giving way to frustration is the easy way out. Be strong. Smooth waters are clear ahead.

Bulls (April 21-May 20) Pamper yourself this weekend. A long walk alone may sooth your spirits. There is nothing in this world that is of more importance than you and your well being.

Twins (May 21-June 20) Good friends are often understanding. But, don't always expect to be understood. Make yourself clear. If you love someone let them know.

Crabs (June 20-July 22) Don't give mischievous people the satisfaction of ruining a second of your day. Be meek and humble, for strength and further consultation read your Bible.

Lions (July 23-Aug. 22) At the time you least expect it someone will be watching you. Be cautious!

Virgins (Aug. 23-Sept. 22) Keep your eyes on your own man! If used creatively, black attire can be very alluring and seductive.

Scorpions (Oct. 23-Nov. 21) A dark cloud can be the cause of dampened spirits. Avoid seclusion.
