ENGINEER SAYS 40-FOOT ROAD NOT TALKED

Scarsdale Official Declares Recent Survey Merely Covered the Right of Way

A denial that he is aware of any hint of a change from the recent agreement with County authorities to make the projected repaving of the commonwealth road in Scarsdale, N. Y., was made today by Village Engineer Arthur Scarsdale.

PLANS CALL FOR 30 MILLION IN FIVE YEARS

Architectural Exposition Details Proposed Civic Developments Calling For Large Outlay

A large proportion of White Plains residents will no doubt be highly interested in the opening today of the Architectural and Allied Arts Exposition at Grand Central Palace, New York City.

Letters From Our Readers

Editor, The Daily Press: I have for some time been a reader of The Building and Realty News and have always admired the common sense, independence, fairness and consistency of its editorial policy and feel sure that it will be of great benefit to White Plains and to have this influence brought to bear upon the local problems through the medium of the Daily Press, which I understand, under the same management.
