Miss Orcutt and Phil Turnesa Capture Mixed Foursome

Defeat Helen Hicks and Joe Turnesa at Elmsford

Win Match By Three Points in Best Ball Match; Phil Scores a 68, Two Under Par.

PHIL TURNESA of the Elmsford Country Club and Maureen Orcutt, metropolitan women's champion, paired in an exhibition match at the Elmsford Club yesterday afternoon to defeat by three points, the team of Helen Hicks, Long Island champion, and Joe Turnesa, club pro and recent winner of the Yorkshire Thousand Guineas tournament. The scoring system followed allowed one point for best ball and one point for aggregate scores. Phil Turnesa had the best round, with a brilliant 68 over the 5,682-yard course, while Maureen Orcutt's 78 was the best either of the women could produce. Joe Turnesa had a 70 and Helen Hicks an 80.

The first hole was halved as the women played even women's par while the men equaled perfect figures. On the second both Joe Turnesa and Miss Orcutt encountered difficulty, but Helen Hicks and Phil Turnesa upheld the honor of each team by equalling par. The third hole was lost by Orcutt and Phil Turnesa as both Helen Hicks and Joe Turnesa played their drives on the green and went down in the regulation two putts. The best that the Orcutt-Phil Turnesa outfit could do was bogie 4. The same team lost another point on the short fourth hole where Miss Orcutt played her drive into the trap on the side of the green and did not recover sufficiently close to gather her par. The fifth hole was halved when the men took pars and the women bogies. Although Joe Turnesa won the long sixth hole with a 4 the points were divided as the player stotalled ten for each team. Phil Turnesa and Miss Orcutt won the seventh, divided the eighth and then the ninth as Phil Turnesa hold a thirty-foot putt to equal his brother's brilliant birdie. At the turn the winning team was one down and froth then on the match see-sawed back and forth.

The feature of the second nine was an eagle 2, carded by Joe Turnesa on the 302-yard down hill fourteenth hole. On this hole both Joe and Phil drove the green, with Joe's ball stopping five feet from the pin.

Helen Hicks played steady golf to card a 40 for both nines, but neither she nor Miss Orcutt were able to get accustomed to the slow greens and consequently had several three-putt holes. Miss Orcutt's best effort of the afternoon was on the eleventh hole when she sank a twenty-five foot putt for a birdie 2. On the first nine she was very erratic and found almost every trap on the course, but on the home journey she played much better golf to shoot a 36.

Joe Turnesa played an up and down game. Although he shot a 70, his card boasted a 6 and three 5's. Phil Turnesa had but two 5's on his brilliant 68 card.

The match was very close and interesting from start to finish and was witnessed by a large and enthusiastic gallery. The cards:

Out—

Phil Turnesa	4	4	4	3	4	5	2	4	3—34
Miss Orcutt	5	5	4	4	5	5	4	6	4—42
Joe Turnesa	4	5	3	3	4	4	5	3	3—35
Miss Hicks	5	4	3	3	5	6	5	5	4—40

In—

Phil Turnesa	4	4	5	3	4	3	4	4	3—34—68
Miss Orcutt	3	2	6	4	5	4	4	4	3—36—78
Joe Turnesa	4	4	5	2	5	4	3	4	3—35—70
Miss Hicks	4	3	6	5	6	4	4	4	4—40—80

Beamon Wins Two Mile Race In Track Meet

Orsen C. Beaman of White Plains, who is a member of the Cornell track team, and two mile metropolitan and Westchester champion, competed for the American combination track team Saturday against the Oxford-Cambridge teams at Travers Island.

Beaman set a new meet record for the event by winning over John M. Pumphrey of Oxford, in the time of 9m 5-10. This clips 11 seconds off the old record.

Action!

SHAPED AT WIMBLEDON, ENGLAND—Here is a fine action shot showing Jean Borotra of France in play during the tennis championship at Wimbledon.

LEGION MEN DISPORT AT BURKE FIELD

Fat Men Defeat Skinny Men; McGrath Stars For the Fat Men as Game Progresses; Dinner Held Later.

In a baseball game that was marked with thrills from start to finish the fat men of the local White Plains Post defeated their skinny rivals in a most convincing fashion by the score of 23 to 19. Both of the teams agreed that had John McGraw or Connie Mack been present they would have undoubtedly signed Councilman McGrath for shortstop. The local member of the Common Council was scooped on them up from all angles and made many a fancy stop that would have made Travis Jackson envious.

The game started with the skinny men at bat first and Sid Bare in the box for the fat men with Cy Howe on the receiving end. With two out and two men on base, one of the thin men laid down a bunt and Cy Howe picked up the ball and made a beautiful throw into left field when there should have been an easy out at first. Had it not been for the bad throw the skinny men would not have scored this inning.

However this made the fat man peeved and what they didn't do to Commander Biersdorf who was pitching for the skinny men only he himself knows. They laced out singles, doubles, triples and home runs until they got tired and then got out on purpose. When they had finished six runs had come over the plate. In this inning Sid Bare, Putty Young and two Councilmen himself did some heavy hitting. The side was retired when Cy Howe took three big whiffs and fanned himself out. The skinny men then got a little bit mad and scored three in their half of the second by the wonderful hitting of Hervey De Loun, Bob Travis the fighting photographer and Pop Lynch. Bob Travis hit a long home run in this inning.

After the terrible first inning Bob Howe, Jr. decided to pitch. He did well for one inning but from there on went wild. The heavy hitters of the fat men's team liked his style. They got two runs in the third, and seven in the fourth. Sid Bare then eased up to give the thin men a chance.

The thin men tied the score in the eighth, but Putty Young came through with a home run with the bases full, to ruin their chances when the fat men came to bat.

After the game the Legion men retired and then gathered later at the Westchester Manor for dinner. The game was replayed for the benefit of those who could not be present.

NOTES

The feature of the game was Frank Hughes' base running. He was put out at first, and again at third as he continued around. Then he tried to steal back to second as he was retired.

* * *

Wiley Dodds tried to steal home with none out. That made one out.

* * *

Game Warden Townsend umpired the game. He favored the fat men however.

* * *

The skinny men challenged the fat men to another game, August third. Councilman McGrath accepted.

* * *

Fletcher Brush played third base like Freddie Lindstrom. Every time he caught the ball he closed his eyes but made the catch good somehow.

* * *

The lineup:

Fat men: Bare, pitcher; Howe, catcher; Hughes, first; Young, second; McGrath, short stop; Brush, third; Fastigri, right; Matson, center; Core, left field.

Thin men: Biersdorf, pitcher; Lynch, catcher; Howe, first; Dodds, second; DeLorm, short stop; Bachman, third; Travis, right; Ferry, center; Smith, left field.

* * *

Score by innings:

Fat Men	6	0	2	7	0	3	0	5	0	—23
Skinny Men	2	3	2	1	0	0	6	4	1	—19

GERMANS LOSE SINGLES SETS TO AMERICANS

Tilden and Hunter Again Defeat Prenn and Moldenhauer; Hunter Carried 5 Sets by Opponent

Berlin, July 22 (UP)—The United States Davis Cup forces headed for Paris today and the challenge round against France after conquering Germany in the interzone final, five matches to none.

William T. Tilden and Francis T. Hunter completed the United States triumph by winning the two final singles matches Sunday, Tilden beating Daniel Prenn, 6—1, 6—4, 6—1, and Hunter winning from Hans Moldenhauer, 6—3, 1—6, 6—4, 4—6, 6—1.

The United States will meet France in the challenge round at Roland Garros Stadium, Auteuil, Friday, Saturday and Sunday, for the second straight year. France retained the cup last year by winning four matches to one.

The makeup of the United States team has not been definitely determined, although Tilden is certain to play in the singles and Wilmer Allison and John Van Ryn are equally certain to compose the doubles team. George Lott may replace Hunter as the other singles player.

The United States clinched the interzone final Saturday when Allison and Van Ryn beat Prenn and Moldenhauer in the doubles.

In the two opening singles matches Tilden beat Moldenhauer and Hunter beat Prenn.

Before leaving, Tilden and the other American players congratulated the officials of the Red and White Tennis Club on their splendid treatment and handling of the matches.

Prenn had been expected to put up a much better fight against Tilden, but the tall American played all around him. The German's four games in the second set were all due to Tilden's wildness. Prenn won the opening service and Tilden began by driving his opponent's first two services outside and the third into the net. He also drove into the net later in the game, but won it and took the next two in succession. Prenn's only game was due to the American's outs.

Chops Effective

It took only 57 minutes for all 24 games. Tilden's most dangerous weapon consisted of short, undercut chops which dropped just over the net when Prenn was at the baseline. This is a weapon which the German players seldom use. The lanky American appeared at the top of his form, although he had been somewhat off court before the match began. Prenn appeared in much better form than on Friday, but was utterly outclassed by the veteran American who gained no less than seven service aces in three sets while Prenn took none.

The contest between Hunter and Moldenhauer was much more even and interesting and the American had his hands full in disposing of his German opponent. Those who saw Hunter play at the Rotwein grounds two years ago were astonished at his improvement. His vicious baseline and sideline drives were excellently judged, except for a brief period of wildness in the second set, and he returned a number of Moldenhauer placements that appeared so impossible that the gallery began applauding the supposed point for Moldenhauer only to hush suddenly when the American nevertheless won the point.

Moldenhauer Skillful

Although Moldenhauer was defeated, he exhibited a technical skill fully comparable with Hunter's. But his reactions are slower than those of the American.

The crowd filled the Rotweiss grounds to capacity and again applauded the good plays of both sides with utter impartiality.

A REAL CAULI-FLOWER BED

SPEAKING OF SPORT

BY FRANK GETTY

Too Much Money

A purse of $200,000—twice any sum ever offered in the history of the American turf—will be available for a race at Arlington Park next year, if Inversahin, twice winner of the Ascot Gold Cup, is shipped to this country for another test of speed and stamina with Mrs. John D. Hertz's Reigh Count.

The American National Jockey Club proposes to add $100,000 to the stakes for a two-and-one-half mile international race in the autumn of 1930, and Hertz, the big 15-and-a-man from the west, has agreed to contribute an extra $100,000 if Inversahin and Reigh Count start.

Mr. and Mrs. Hertz regret the defeat of "The Count" by Inversahin at Ascot this summer, and want to bring the horses together again on a skinned track over the flat, confident that their 1928 Kentucky Derby winner can reverse the decision.

This is a sporting proposition, but the offer of such a purse in this instance is unwise.

The crowd at Arlington are shooting over their heads in offering to add $100,000 in the first place. Stakes of $100,000 added have to be led up to gradually, otherwise they are impracticable, and the faint odor of the genus Hevea occasionally is detected on pay-off day.

Reigh Count to Win

International races have not been successful from a competitive viewpoint because of the handicaps imposed upon the visiting thoroughbreds.

Despite his defeat at Ascot, Reigh Count, to my mind, would be a 1 to 3 shot to beat Inversahin over a flat, skinned track at two-and-one-half miles, granted both thoroughbreds are in the splendid condition of their recent meeting.

At Ascot the turf is all uphill and down, the race is run block-wise instead of counter clock-wise, as in this country, and Reigh Count, beaten only two lengths, probably was the better horse that day if trained for the going.

Inversahin, Mr. Reid Walker's colt, had been trained specially for Ascot and had run nowhere else. Reigh Count never had put foot on the dips and grades of the exclusive and picturesque English course.

On Home Ground

On a skinned track, level and soft, and ridden by an American jock, Reigh Count should step away from Inversahin at Arlington just as Zev stepped away from Papyrus, the former English Derby winner in their memorable match race at Belmont Park.

If Inversahin is not sent to Arlington—which is doubtful—the Chicago crowd will try to get some of the French horses, Palais Royal II, for instance, and Cocoa, a pair which showed to advantage in the two-and-one-half-mile test at Ascot.

A Well Earned Rest

Reigh Count, meanwhile, is to have a well-earned rest and perhaps an opportunity to furnish Sun Reigh, his sire, with some speedy grandchildren.

This probably will suit "The Count" better than keeping some engagements at Saratoga and Belmont Park in August and September.

A. H. Cosden's Vito and Willis Sharpe Kilmer's Sun Beau are two distance horses waiting to try the issue with Reigh Count once again, and will be at Saratoga next month. But the Hertz colt has earned a rest and the rest.

NORTH CASTLE WINS CONTEST

Defeat Westchester Collegiates, 14 to 6, after Collecting 8 Runs in One Inning.

The North Castle baseball team defeated the Westchester Collegiates yesterday at the Camp School Oval, 14-6. After the first few innings the game was never in doubt, and Kraus, who pitched for the winners, had an easy time of it. The hitting of his team mates kept him out of danger, although he struck out 11 men of his opponent and held the visitors to few hits.

Ryder, the opposing pitcher worked well for five innings and then went to pieces. In the sixth frame the North Castle boys collected eight runs. Those eight, together with the six garnered otherwise was too much of a handicap to overcome. The slew of hits came right after the Collegiates threatened to take the game away from them by scoring four runs in the fifth.

Those four runs, and two made in the eighth, proved to be the only ones made by that team and they went down to defeat by a wide margin. Fred Hippert of North Castle had a gala day at bat. He collected five hits out of six.

Sunday North Castle plays Hawthorne.

TEAM MATCHES CONSIDERED

New York, July 22 (UP) — International team golf matches between women players of the United States, Canada, France and England are the object of a committee headed by Mrs. C. J. S. Frase who reports considerable progress toward such a series during the past two months of work on it.

DIVOT DIGGERS—It Appeared That Way

By DICK DORGAN

Mrs. Reymond Wins Title Defeating Mrs. Martelle

New Orleans Woman Captures Invitation Tournament at Westchester Country Club.

MRS. RUTH REYMOND, of New Orleans, captured the women's invitation golf tournament at the Westchester Country Club Saturday by defeating Mrs. H. A. Martelle, of Hartford, Conn., one up. She came from behind to win the last four holes from her opponent. What actually turned the tide in Mrs. Reymond's favor was Mrs. Martelle's poor approaching. After she missed a four-foot putt for a birdie 2 at the short eleventh, Mrs. Martelle still had a lead of three up with seven holes to go, but a poor shot at the very next hole changed the entire aspect of the match.

It was a mashie niblick that started the trouble and when Mrs. Martelle looked up as she played the shot to the twelfth green the ball when scarcely twenty feet. Mrs. Martelle then overplayed the green and took a 6. Although she had a fine drive at the water hole thirteenth, while Mrs. Raymond pushed hers slightly into the rough and barely recovered to the fairway on her second, the Connecticut player, who disposed of Miss Helen Hicks, the Long Island champion, in sensational fashion Friday, by playing the first nine in 34, topped her mashie niblick approach and the ball ran right on across the green and over the embankment into the pond. Mrs. Reymond sank her 6 there for a win, although Mrs. Martelle, after taking the penalty stroke, failed to drop a short putt for a half.

Match Squared

Mrs. Reymond was now down and although they halved the fourteenth in 4s, the Southern player with an excellent chance to capture the fifteenth, used three puts. Mrs. Martelle, struggling to swing back to the steadier game she had displayed on the first nine, gained a half with a 6 there, having been bunkered on her third shot.

But at the very next hole Mrs. Reymond squared the match. Mrs. Martelle skied her tee shot and then sent her recovery shot into a trap, taking a 5 to her opponent's 4. Then came another poor mashie niblick shot at the seventeenth where Mrs. Martelle finally reached the green with her fourth shot on this 531-yard par 5 hole, while Mrs. Reymond, who approached within a yard of the cup on her fourth, dropped the putt that gave her the lead for the first time since the fifth hole.

For a few minutes it seemed as though the match might go to the nineteenth. Mrs. Reymond played a beautiful iron shot from the rough to the edge of the green at the eighteenth, while Mrs. Martelle after hooking a spoon shot into the hollow in front of the trees short of the green, pitched out to within four feet of the cup. Mrs. Reymond, well beyond the cup on her first put, missed by less than a yard coming back.

Mrs. Reymond took the second hole, as Mrs. Martelle had three putts there for a 6, but the Connecticut star, who played the short holes extremely well, made up for this by taking the fourth with a 2. At the long fifth Mrs. Reymond dropped her par 4 but by winning the last three holes of the first nine, Mrs. Martelle forged ahead. She gave the seventh hole after her shot was a yard from the cup at the eighth for a 2, which Mrs. Reymond conceded after taking three putts. Mrs. Martelle then took the ninth with a 4, being home in 2, after Mrs. Reymond sliced her tee shot and took a 5 to be out in 44 to the Hartford player's 42.

Mrs. Raymond started back with three putts and a 6 at the tenth but after Mrs. Martelle failed to hole her putt for a deuce to become 4 up at the eleventh, she went on and won.

"T" GAME POSTPONED

Due to the absence of many of the ball players on each team, the game scheduled to be played Saturday afternoon between the local Y. M. C. A. ball team and the team of the Mount Vernon "T" was postponed. Next Saturday the local team will play Yonkers at Yonkers.
