Lighting Company to Open New Office in Mount Kisco With Reception to Public on Monday

Attractive Structure Designed to Facilitate Transaction of Business. Constructed of Harvard Brick With Terra Cotta Trim.

The new district office building of the Westchester Lighting Company, located at 23 East Main street, Mount Kisco, will be formally opened Monday evening...

Our new Mount Kisco building is essentially a local institution. It has been erected for the greater convenience of our customers...

The building, which is approximately 38 by 50 feet, is on a plot 100 by 110 feet, and is of red Harvard brick with terra cotta trim...

All main show window trim and the main entrance are of bronze construction, other windows and doors being of steel construction...

The building will be heated by a gas-fired boiler and gas will be also used for water heating and hot water...

On the Carpenter avenue side is an entrance for the receiving of material. In both the planning and the actual construction of the building, exceptional care was exercised...

Books, in Other Words, Offer Many Means of Escape For Those Vacationists Leave Behind Them

In spite of the extreme heat and weather or perhaps because of it, people are reading. The books most loaned at the White Plains Public Library indicate that...

For older girls there is a new edition, attractively illustrated, of Sarah Orne Jewett's "Betty Leicester: A New England story..."

"Blush by Thomas Hinkle is a dog story of the Rockies; and 'Chilly' by Linwood L. Frazier, has a background of Belgium."

Boys' stories are in evidence here. "Royals and Leathers" by Master Clayton Lyle describes a boy's adventures in England and France...

"The story of the sea" by Anne Merriman Peck. It is illustrated with woodcuts by the author, and tells of Italy, France and England...

SUNDAY SCHOOL LESSON A BRICK FROM BABYLON BEARS MEMORIES OF A FAMOUS CAROUSE

A brick from Babylon lies in my study. All the way from the ruins of Babylon, where Jackals now howl and most birds were once exterminated...

It is scarcely too general a proposition to declare that modern drinking is strapping all the finer sensibilities of those who indulged in the ancient wine to steal away one's brains.

Thames That Topple. It may seem clever and courageous to do an anti-intellectual stunt like that of the decales and to spur the sanctities. Consider all the mandarin and economic theory that have been hurled at the Prohibition law.

One of the best of literature is this little story of Daniel, which is a perfect picture in words of the life of the prophet...

So on the small boat entered a party of four men. Paul, Silas, Timothy and Luke. They were all men different in their experiences and their personalities...

OFF TO EUROPE

No, it is not a trip from New York to a wonderful modern steamship. It is a trip to Europe...

So on the small boat entered a party of four men. Paul, Silas, Timothy and Luke. They were all men different in their experiences and their personalities...

BIBLIOPOLIS STORES

Do the will of God, however bitter it may be, sure that there is sweetness in its heart, and never cease to hope that you will find sweetness at its heart...

Common sense is the measure of all things. It is the only sense that is common to all men...
