There were quite a number from this village who attended the "Lawn Fete" on the lawn of Mr. A. B. Whitlock near Golden's Bridge. This large lawn was decorated and illuminated and presented a glorious spectacle. The affair was for the benefit of the Purdy Station M. E. Church and the young people of that place delighted the audience by the excellent program rendered.

The Library.

Two new State Travelling Libraries have been received at the Village Library, and are now ready for use. One of the Libraries is for children. It is hoped that the children will make free use of the library. By the way, it costs between ten and fifteen cents per volume to give books out from our library, as at present patronaged. All have a legal right to draw at no expense these state books. But it is hard to see how anyone—except in honorable poverty—has a moral right to pay for it, at least to the extent of one dollar, the price of a yearly membership.

Illustrated Lecture.

A stereopticon Lecture will be given by Mr. E. Wegmann, C. E., in the Katonah M. E. Church, on Wednesday evening, August 23d, beginning at eight o'clock, for the benefit of the Katonah Library and Reading Room. The subject of his lecture will be: "Ancient and Modern Aqueducts," illustrated by many stereopticon views of the old Roman Aqueducts in Italy, France, Spain and Asia Minor, also of the new Croton Aqueduct now under construction. Mr. Wegmann is an interesting talker and is very familiar and an authority on aqueducts and their construction. Tickets 35 cents. Stages will meet north and south bound trains.

Katonah's Vs. Unions.

AN INTERESTING GAME LAST SATURDAY, IN WHICH THE KATONAH TEAM WAS VICTORIOUS.

Last Saturday afternoon a good sized crowd attended the ball game between the Unions and the Katonah Team. The game was very close throughout. The Unions led in the first five innings but by good hard playing in the sixth the score was tied, Katonah's having made four runs.

The players on the Katonah side were Le Strange, Knox, Purdy, Moore, Scofield, Lance, Robertson, Dale, pitcher, Russell, catcher. The Unionville team comprised of Cox, Crane, Huff, Thorn, Quinby, Harmon, Taylor, McCay, pitcher and Murray, catcher.

This was the first game in which Russell caught and he did exceedingly well. Of the 13 runs made on the Katonah side, Robertson made four; Le Strange, three; Moore, three; Lance, two; and Russell, one. On the Unionville side Cox made two runs; Crane, two; Taylor, two; Harmon, one; Murray, one; McCay, one.

There were no disputes or quarrels in this game and the boys played good ball from beginning to end.

Another game will be next Saturday with the same team. Both teams will be somewhat strengthened and aousing good game may be expected.

Laying of the Cornerstone of the New Presbyterian Church Edifice.

The cornerstone of the new church edifice of the new Presbyterian church was laid Wednesday afternoon, with appropriate ceremonies. Fortunately, the day was perfect, and a large number of friends gathered at the appointed hour. The pastor, the Rev. W. A. Babbitt, conducted the ceremonies. The service was opened with a hymn,—

"Blest be the tie that binds." The Rev. G. Ernest Merriam, pastor of the Mt. Kisco Presbyterian church, read the Scripture lessons, from the Old Testament, I Kings 8; 26-31; from the New Testament, Ephesians 2; 13-22. The cornerstone was then laid under the direction of Dr. J. Francis Chapman, President of the Board of Trustees. The remarks of Dr. Chapman were most happy and appropriate.

The Rev. Dr. Eli Quick, pastor of the M. E. church, was then introduced. In well chosen words, the pastor of the sister church congratulated the people of the Presbyterian Society. In a memorable sentence he said: "The laying of this stone marks the end of old Katonah, and the realization of the New." The pastor followed Dr. Quick's address with a few remarks. After which the Rev. James H. Rankin, pastor of the Bedford Presbyterian church, made the closing prayer, and the Rev. Mr. Lent, of Milton, N. Y., pronounced the benediction. Thus a happy and impressive ceremony was brought to a close.

The cornerstone is a magnificent specimen of Brewster Granite, weighing over three-quarters of a ton. Upon the face in raised letters is inscribed

The cornerstone was given to the Society by the Brewster Granite Co., who have the contract for the superstructure of the new edifice.

We give a list of articles placed in the cornerstone:

1. Copy of New Testament.
2. Pictures by "Folsom" of the old church, the temporary chapel, ex-pastor John H. Eastman and the present pastor, Rev. Will A. Babbitt.
3. A copy of the first and of the last "Blue Slight,"—of luminous memory.
4. Copy of Recorder, Fire Extra for Nov. 21, 1874,—containing account of the great fire in which the Hall in which worship was then held was burned.
5. Copies of the Assembly, the New York Tribune, the Katonah Times and the Mount Kisco Recorder.
6. Historical papers by Elder Joseph Barrett and the pastor.
7. Minute of the Resolution adopting the plans of the church.
8. Sundry contributions, etc.

Obituary.

THE DEATH OF ISAAC H. LENT. The death of Isaac H. Lent, a resident of this village, occurred on the morning of the 21st inst. He has been in a very critical condition in the New Rochelle Hospital for the past several weeks and little hopes had been entertained for his recovery. His affection was of a dropsical nature.

Mr. Lent was the youngest son of Mr. Isaac H. Lent, of the New York Conference, a man well known to the people of this village and a former pastor of the M. E. Church at Purdy Station. He was a brother of Mr. F. H. Lent, a liveryman of this village. For eleven years Mr. Lent taught school near New Rochelle and since that time has carried on a large and flourishing carriage business in both New Rochelle and Mount Vernon. At the time of his death he was a member of the Civil Service Commission of the city of New Rochelle and secretary of the Board. He was also a member of the First Methodist church at New Rochelle.

He leaves two brothers, Fletcher H. of this village and Edward J. of Milton, and one sister Mrs. Alice Sheldon, of Hillsdale. He also leaves four children, Mrs. Daisy Scabright, whose husband is a large farmer on 5th Ave., New York, Charles F., with Ladenburg, Thulmon & Co., Brokers, of New York city, Frederick H. and Lillie May, both of New Rochelle.

The funeral will be held in the First M. E. church in New Rochelle.

Important Announcement in Regard to the Katonah Choral Club.

A special meeting of the Katonah Choral Club was held Tuesday evening at the Village Library. A communication was read from Prof. Hallam, making a proposition to resume his work here early in November, for a course of twenty lessons. It was voted to accept his offer, and a committee was appointed to canvass the community for members. This community is well aware of Prof. Hallam's work as a musical conductor. Of his ability to train inexperienced singers he has already given abundant proof. There needs only to be said, therefore, a word in regard to our work for the coming season.

It is proposed to spend a portion of each evening in vocal exercises, and in practice in sight-reading. In this way providing for the needs of new beginners, as well as training the more experienced. The rest of the evening will be given to the study of choruses and part songs.

The club has decided to maintain the low rate of two dollars for the season. This fee includes music. In order to meet our needs we have got to have seventy-five members. All who love to sing or to hear others sing ought to help along this movement for popular musical education by enrolling at once for the approaching season. Instruction by one of the rank of Prof. Hallam at 74 cents per lesson is to say the least, reasonable.

Lecture by Mr. E. Wegmann, on Wednesday evening, August 23.

The foundation for Mrs. Sarah Avery's house, next to the residence of Mr. Albert Hoyt, has been begun.

The Lawn Fete at Mr. A. B. Whitlock's for the benefit of the Purdy Station M. E. Church, was largely attended and a great success.

On Tuesday one of the Italians living in the cut died from consumption. He was a brother of Tony, the head mason on the M. E. Church. He was buried in Buxton's cemetery, Bedford Village.

Have your eyes examined by Edwin P. Chapman Consulting Optician at Benedict Bros. store, Wednesday, Aug. 23d, and at F. T. Jelliff's store, Mount Kisco, Thursday-Aug. 24. All glasses sold are warranted.

Mr. F. H. Lent purchased three new horses during the past week. On Monday the noted "Sid" Dickerman came up leaving one horse and taking two of the old gray's with him. Mr. Lent also purchased a nice pair of bay coach horses from Shove, of Brewster.

The Katonah base ball team will play the Unions, of Unionville again this coming Saturday for the championship of Westchester county. They were defeated last Saturday in a very close game and they wished to have one more chance at the Katonah team. It promises to be a very exciting game.

No doubt, the unusual attractive program offered for the entertainment to be given in the Bedford Court House, next Thursday evening, August 24th, for the benefit of the Bedford Presbyterian church, will draw a great many of our citizens to Bedford on that evening, especially as there will be a full moon. Mr. Burr McIntosh, who is spending a few weeks in Bedford working on a play that is to be produced the coming season, is arranging the program, which fact is a guarantee that an enjoyable evening may be looked forward to. Mr. McIntosh is well known to theatre goers as a Southern character actor, but possibly best, as the original "Tabby" in the first good production of "Trilby." Besides Mr. McIntosh's dialect stories and readings, there will be a number of highly artistic musical numbers, chiefly contributed by the Misses Gray. The reserved seats on sale at the Bedford post office are selling very rapidly and a full house is assured.

Captain William Astor Chanler, congressman from New York, is the president of the New York Star, which is giving away a forty dollar bicycle daily as offered, by the advertisement in another column. Hon. Amos J. Cummings, M. C., Col. Asa Bird Gardner, District Attorney of New York, ex-Governor Hogg, of Texas, and Col. Fred Feigl, of New York, are among the well known names in their Board of Directors.

Home-made bread, baked every day at the Katonah Provision Store.

The time of cutting corn and digging potatoes will soon be here.

Samuel A. Lewis, who now represents the Edward G. Millbury Co. of New York, expects to start on the road soon as salesman.

New potatoes at 20c. a peck. Nice ones.
H. B. Deacon.

We again begin to hear complaints of the drouth. Farmers say that we need rain badly.

Men are still blasting out the rocks for the foundation for Mr. Wendell Green's new residence on a fine site on Daniel J. Smith's property.

Miss Roake, of Yorktown, has been engaged for the coming year to teach the primary department of the Katonah public school. She is a graduate of the New Paltz Normal School.

The Katonah Union Free School will open two weeks from next Tuesday and we hope to see a good attendance and a large number of non-resident pupils.

We are sorry to announce the serious illness of Mrs. Frances Miller. She was taken on Tuesday evening after returning from Ocean Grove with an acute attack of congestion of the lungs. She has much improved at this writing and is now able to be around.

There were rather more scholars than usual from the M. E. Sunday school who attended the picnic held at Lake Waccabuc on Thursday. Nearly everyone seemed to be out of town, the streets were deserted and very little business was done. The day was all that could be desired and all thoroughly enjoyed themselves.

A runaway horse passed through the village down Bedford Road on Tuesday. There was no one in the wagon and when it turned the corner after crossing the railroad bridge, the wagon was overturned and badly demolished. The horse ran down through the village but soon stopped and was caught.

A great many who suppose their headaches come from indigestion find when they have their eyes examined by a competent optician that they need glasses and their headache is cured. Edwin P. Chapman Consulting Optician will be at Benedict Bros. store, Wednesday, August 23d, sitting glasses. Also at F. T. Jelliff's store, Mount Kisco, Aug. 24. The eyes examined free.

There were about twenty from this village belonging to the Katonah Fire Department that went to Yonkers, today to attend the State Firemen's Convention. The boys presented a very neat appearance in their white duck trousers and blue shirts. The great parade will be to-day. They expect to have at least 100 companies in line with 25 brass bands. We hope the Katonah department will make their usual good showing.

Entertainment.

An entertainment for the benefit of the Bedford Presbyterian Church will be held in the Bedford Court House, on Thursday evening, at 8 o'clock, Aug. 24. There will be music, magic and recitations. Admission 25 cents. Children 15 cents. Reserved seats, 35 cents. Tickets on sale at Bedford Post Office.
