

CLOSE GAME WITH PLEASANTVILLE A.C.

*Dexter's Perfect Work from the Court
Tim Wins Hard Game
For Cross-gits*

Last Saturday the Katonah Cross-gits debated the Pleasantville A.C. in a close and exciting contest by the narrow margin of one point. Score 21 to 24.

The game was one of the hardest of the season and if it had not been for Dexter's perfect score from the foul line, netting six points, it might have gone hard with the local team. The Owen brothers at guard kept their men well in hand. Bert's man going home without a single basket. Lewis and Southall as forwards ran their men of their feet, scoring six and ten points respectively. The line-up was as follows:

Cross-gits	Position	Pleasantville
Southall	R F	Give
Lewis	L F	W Brooks
Dexter	C	Clapton
T Owens	R G	Shay
B Owens	L G	G Brooks
Baskets from field		Southall, 7
Lewis, 3 Owens, 1		From foul line Dexter, 6

In the preliminary game the K.A.C. 2d team was defeated by the P.A.C. by a score of 7 to 8. Rather rough work was done on both sides but the team work was notably good. After the game a very pleasant dance was held. Moll's orchestra furnished the music.

J. Franklin Ryan is getting ready for the spring rush by altering the front of his meat market and making various interior improvements.

The next meeting of the Choral club will be held in the high school on Saturday evening instead of on Wednesday. This change was made to give the members of the club an opportunity to attend the concert of the Mount Kisco Choral society.

The W.C.T.U. will hold an at home with Mrs. L. W. Elliott on Wednesday afternoon, Feb. 10th, three to five-thirty. Everybody is cordially invited to attend.

WILL LEAVE THEIR LEDGERS TO CHASE THE FLYING BALL.

Katonah Business Men Are Going to Show School Boys How the Game Can be Played

The proposed Business Men's basketball game is slated for two weeks from Saturday. Details are being perfected by Mr. C. J. Kennedy and he has secured the following line-up of grave and reverend citizens for the great occasion:

Dr. Williams	R. F.	C. Mend
Spaulding	L. I.	Kennedy
Benedict	C.	
H. Mayne	R. G.	Ryan
E. A. Arnold	L. G.	Merritt
Substitutes	A. Avery	T. VanTassel

There is one gap left and much pressure is being brought to bear on Supervisor E. P. Barrett to fill it. Mr. Kennedy regards him as very promising material. He says it would only need a week's hard work—cross country runs, bag punching, etc.—to make Barrett one of the likeliest youngsters in the bunch.

PERSONALS

Mr. H. W. Kellogg and his father drove over to South Salem on Monday to attend the funeral of the late Charles Fancher. Mr. Fancher was 75 years old and had been a member of the Presbyterian church of that place since 1831.

Mr. and Mrs. Lewis K. Saunders, of New York, are spending a few weeks in town.

Mr. Charles Williams, of England, is a guest at the Parkway House for several weeks.

Miss Ruth Hubbard, of Mount Vernon was a guest of relatives here the past week.

Mr. George E. Washburn, who was affected by the retrenchment in the New York city Aqueduct service, has been restored to duty on the Cross River section. The post of chairman, previously held by Mr. Washburn, was abolished, but as he is an exempt fireman and a veteran, it was found necessary to re-appoint him as a rodmann, at his former salary.

Husband in Asylum, Wife Tries to Die

Charles Brundage, a wheelwright of Armonk, was transferred from Dr. Given's sanitarium, in Stamford, to the Poughkeepsie asylum as incurable and as a result his wife attempted suicide on last Wednesday night. The prompt attention of Dr. G. B. Clark of Pleasantville, who was summoned by Miss Brundage, saved her mother's life, although she was badly scarred by the carbolic acid. The Brundage family is well known both in Armonk and White Plains.

Mr. O. S. Goan, manager of the National Biscuit Co., who purchased the Straug and Fowler places last summer has about completed the renovation of the old farm house. It is now wired for electric lights and many modern improvements have been made. Mr. Goan thinks of still further improving the property and doing some road building.

Lincoln's 100th birthday will be observed on Thursday afternoon at 2 o'clock in the assembly room of the high school by appropriate exercises. There will be several musical selections as well as recitations and declamations.

Miss Helen Robbins and Miss Mildred Deats have been missed from the high school this week. The former is absent on account of an attack of the mumps, while the latter is detained by a severe cold.

The electric fan was started this week in the furnace room and greatly improved heating facilities are the result.

The teachers have been greatly favored since this last snow by the pupils of the grades, having been drawn on sleds between their boarding places and the school mornings-noons and nights.

The three teams of the Katonah high school the girls team and the first and second boys' teams, will play the three Chappaqua Mountain Institute teams on the latter's court tomorrow Saturday afternoon.

The Katonah high school girls team will play the New Rochelle high school girls on Thursday afternoon, Feb. 11, at 3:30 on the former's court.

On Sunday next evening Christian Endeavor Day will be observed in the Presbyterian church by a special service under the auspices of the Y. P. S. C. E. A cordial invitation is extended to everyone to be present, and it is particularly hoped that all former Endeavorers come. There will be special music a series of five-minute addresses on the history and work of the United and local societies, etc. This service will take the place of the regular preaching service at 7:30 o'clock and the C. E. prayer meeting at 6:30 will be omitted.

The annual meeting of the Katonah Village Improvement Society will be held in the parlors of the Presbyterian church on next Tuesday evening, Feb. 9th, at eight o'clock.
