LE ROY—The Village Board will ask a "pre-planning" meeting with Genesee County Highway Dept. officials to discuss the proposed replacement of the Munson St. bridge.

The board decided to request the meeting at its regular session Tuesday night on receipt of word from the Genesee County Board of Supervisors of the allocation of \$87,000 for the replacement of the span across Oatka Creek in the southwest section of the village. The purpose of the meeting would be to allow board members to become familiar with what the county has planned.

While the County Highway Dept. is responsible for the replacement of all bridges in the county, the village would have to provide for the construction of the approaches to the span. Village officials said it is necessary to know the type, size, length and height in order to form plans for the village's part of the project.

The current one-lane span also carries water, gas and sewer service lines and it was indicated officials of the Village Water, Sewer and Public Works departments and a representative of the Pavilion Natural Gas Co. would be invited to attend in order that provision could be made for the relocation of the service lines.

The build-up of the approaches to eliminate steep grades would be a major factor in the cost to the village. Information concerning the amount of fill needed would be necessary to devise cost estimates and determine methods of financing. The reconstruction is planned for this summer, according to information from the County Highway Dept.

The planned reconstruction also was considered as the board made plans for the repaving of streets this year. The board has announced it plans to repave 5,000 feet of village streets this year and it is a question whether Munson St. should be included in the program.

Trustee Ralph Milliman Jr. pointed out that the use by heavy equipment while the construction was going on would cause heavy wear on the street. He said if repair was going to be needed after the completion, it would be advisable to include it in the proposed budget, rather than have to consider it as an additional cost in the fall.

Mill St., Union St., Warner Park, Maple Ave. and Lathrop Ave. are some of the streets under consideration for repaving. The board will further discuss the program at its March 9 meeting.

**Rt. 19 Work Set**  
Mayor Richard M. Ladd reported he had talked with State Highway Dept. officials this week and they indicated plans call for the reconstruction of Rt. 19 in the village this year. He said it all hinged on the appropriation of funds by the Legislature.

**Owners Reminded**  
The Village Board reminded home owners in the Lake St.-Clay St. areas June 15 had been set as the deadline for the installation of connections with the village's sanitary sewer system. These must be installed prior to the reconstruction of the highway, the board advised.

**Arrange Election**  
Hours for the village elections March 16 have been set at 10 a. m. to 7 p. m. Voting will be at the Municipal Building. Two trustees will be elected for two-year terms. Mrs. Harold Kerwin, Mrs. Joseph Macaluso, Mrs. Anna Jones, Mrs. Carlos Chapman, Mrs. Raymond Kennedy and Mrs. Mary Lathan were named election inspectors.

**New Lights**  
Trustee James I. Baldwin reported the Niagara Mohawk Power Corp. has completed the installation of 18 new street lights. The contract for 1968 includes the installation of 80 new lights.

**Term in Jail Given Motorist After Accident**  
Leland M. Marsceill, 23, of 112 State St., charged with leaving the scene after striking the porch of a Columbia Ave. residence and then a tree and a sign on Washington Ave., was sentenced to thirty days in the Genesee County Jail by City Judge Arthur F. McGettigan after he pleaded guilty in City Court.

Marsceill was taken into custody about 12:25 a. m. today and charged with leaving the scene, operating a vehicle while his license was revoked and disorderly conduct. Judge McGettigan fined him \$50 on the operating while revoked charge and suspended a \$25 fine for disorderly conduct.

The defendant was alleged to have driven off after hitting the porch of the Kenneth R. Henry residence at 13 Columbia Ave. then proceeding along East Ave. and Washington Ave. to a point just west of the Ross St. intersection where he struck a traffic sign and glanced off a tree. He was taken into custody by police on Hutchins St. He was reportedly backing from the driveway of the Henry residence when he struck and damaged the porch.

An autopsy is being conducted this noon to determine the cause of death of Jesse James Pennington, 62, of Dreamland Trailer Park, who was found dead in bed this morning, seven hours after he was involved in a minor automobile accident in Monroe County.

Mr. Pennington was found at 1:30 this morning (Feb. 24, 1968). He was pronounced dead at the scene by Dr. Dominick Cultrara, coroner, who ordered the autopsy.

The vehicle went off the west side and struck a utility pole. He did not appear to be injured and declined medical attention. The Monroe County Sheriff's Dept. reported.

**Buddhists Displeased**  
Chau said that although the Buddhists did not like the upsets of the past week, he hoped that the military and the present government would work in a true revolutionary spirit for all the people and bring peace to the nation.

"It was the first major meeting of the militant Buddhist group since it played a key role in bringing down the civilian government of Premier Tran Van Huong more than a month ago.

A document was circulated to newspaper offices in Saigon today calling on both the government and the Viet Cong to "immediately cease-fire and bring peace back to the country."

The document carried the names of several prominent doctors and lawyers in Saigon but the authenticity of the signatures could not be checked immediately.

The North Vietnamese said that Khanh's appointment as roving ambassador was a trick by U.S. Ambassador Maxwell D. Taylor to remove Khanh from South Viet Nam.

The United States has denied any involvement in Khanh's overthrow.

# Police Reinforce Guard For Muslim Convention

In Face of Phone Threats

CHICAGO (AP)—Police, alarmed by telephoned threats on the life of Black Muslim leader Elijah Muhammad, stepped up security plans today for the sect's convention in Chicago this weekend.

The calls to police came within a few hours of each other Tuesday. The first warned: "We have arrived. Muhammad will have a lively convention."

The second caller, who identified himself as John Henderson, said 100 men were coming to Chicago from New York to kill Muhammad. The caller also told police a bomb had been planted in the Coliseum, site of the convention which is expected to attract 6,000 Black Muslims.

Police said the caller indicated the bomb was timed to explode Friday or Saturday when Muhammad is scheduled to address the convention.

Telephoned bomb threats also harassed New York police and reinforcements were ordered into Harlem in an attempt to prevent further violence. Early Tuesday an explosion and fire, believed to have been set by avengers of Malcolm X, wrecked a four-story Muslim Mosque. Five firemen and one spectator were injured.

Tension mounted later when the funeral parlor housing the body of Malcolm X, the former Black Muslim leader who was assassinated Sunday in New York, was the victim of a false bomb threat. The body went on display a few hours later.

Police reported little progress in their investigation of Malcolm X's slaying. Officials complained there was a barrier of silence among Malcolm's followers, members of the organization for the Afro-American unity, Malcolm was suspended from the Black Muslims 14 months ago.

Only one person, Talmadge Hayer, 22, has been arrested thus far in connection with the slaying. He has refused to say whether he has any affiliation with the Black Muslims.

In Chicago, Sgt. Allan Michaels of the general assignment unit said the police bomb and arson squad would make a complete search of the Coliseum today.

"It's not something to do at night," he said.

"We have to check out every call. We can't afford to take any chances."

As a further precaution, officials tripled the number of policemen, from 9 to 27, assigned to guard the convention. James C. Conlisk, deputy superintendent, said 50 other patrolmen would be available "within seconds" in case of emergency.

At Muhammad's 19-room South Side home, a heavy cordon of police with shotguns maintained an around-the-clock vigil. Sgt. James Callahan of the task force, assigned to guard the residence, said 12 men were assigned to each shift. The watch will continue indefinitely, he said.

Unmarked police cars cruised the immediate area, stopping all autos that appeared to be suspicious.

"He (Muhammad) is pretty safe," Callahan said. "We've got it covered pretty good."

Heavy guards also were placed at the sect's Mosque No. 2 and the University of Islam, both within a mile of Muhammad's home.

Black Muslim guards stationed themselves in cars parked in front of the Muhammad mansion.

The posting of Black Muslim

guards gave rise to speculation that Muhammad, who said Monday he feared no reprisals in connection with the slaying of Malcolm X, may have had a change of heart.

Shortly after Malcolm's death, police confirmed a report that six of Malcolm's followers had traveled to Chicago to avenge their former leader's death.

Capt. William Duffy, head of police intelligence, said the identities of some of the six were known, but he refused to name them.

Among Muhammad's visitors Tuesday night was heavyweight boxing champion Cassius Clay, a Black Muslim.

"Elijah isn't concerned about the threats," Clay said. "In fact, we didn't even discuss it." Clay is scheduled to give two four-round boxing exhibitions at the Black Muslim convention Saturday.

"Elijah Muhammad will be there to watch me fight," he said. "We are not afraid." Clay had been one of Malcolm's supporters before Malcolm left the Black Muslim ranks, but he remained loyal to Muhammad.

The uneasiness that filtered throughout New York and Chicago spread to San Francisco Tuesday where kerosene was thrown and ignited on the sidewalk and floor of a Black Muslim meeting place. Damage was slight.

**Heart Attack Claims Stan Laurel**  
SANTA MONICA, Calif. (AP)—Stan Laurel, the little, rubber-faced partner of the late, 300-pound Oliver Hardy in the movies' most successful comedy team, is dead of a heart attack at 74.

Victim of a stroke in 1955 and of diabetes in later years, he suffered the fatal seizure Tuesday in his bluff-top apartment overlooking the ocean. His fourth wife, Ida, was at his side. Laurel and Hardy starred in 300 films, mostly two-and three-reelers, and made millions laugh.

They were the 30's slapstick kings and their films still are shown regularly on television and in theaters around the world.

Fans remember Laurel as the crop-haired, bungling yet lovable scamp, who, wearing a blank stupid expression, inevitably brought disaster to his fat, exasperated partner.

Babe Hardy used to say Laurel was the brains of their act. Stan wrote and directed many of their films.

In a stock situation, the skinny Laurel and the rotund Hardy were at odds with authority—landlord, grim mother-in-law or chief of police. They always lost—except at the box office.

Laurel was born Arthur Stanley Jefferson June 16, 1890, in Ulverston, England, the son of a theatrical family. Spending much of his childhood in dressing rooms and railroad stations, he toured with his parents in English stock companies. He later attended King James Grammar School, Gairford School and Tyne-mouth College.

His stage debut at 7 was in "Lights of London." At 15 he toured Europe on his own song and dance act. At 17 he joined Fred Arno's London comedians, starring Charlie Chaplin.

The company arrived in New York in 1910 on a cattle boat, toured the country for three years and disbanded. Stan went into vaudeville, then the flickers.

He started as a writer and director. Then one day in 1927, he replaced an actor who had taken sick and played a butler opposite a hefty comic villain named Hardy. They were an instant success.

Their heyday was in films for the late producer Hal Roach. They made many pictures for him before moving in 1940 to 20th Century-Fox. They kept no property rights to the film, so reaped no rewards when they later were shown on television.

Besides his widow, Laurel leaves a daughter Lois, of suburban Tarzana. Her husband, A. H. Brooks, is a movie production man.

Laurel was married eight times to four women.

He and his Russian-born last wife, the former Ida Kitaeva Raphael, were married May 6, 1946, in Yuma, Ariz.

and that it "wouldn't amount to much."

Many party observers feel Mr. Carmichael was on the "wrong side" as far as long-range outlook is considered since he alienated powerful Democratic "neighbors" of Genesee County in Erie, Niagara and Monroe counties by siding with the "New York City bunch."

Mr. Green, 41, who is associated in the Reamer & Green Produce Co. business, is a veteran party worker who has run on several occasions for county office. He said this morning: "I am definitely a candidate."

**Only One Announced**  
He is the only announced candidate, although there were indications William F. Hollihan of 22 Ross St. might seek the post. He was not available for comment.

Donald J. Weiss of 106 North Spruce Ex., a former chairman was mentioned prominently as a possible candidate, said this morning "I am not going to be a candidate" and said he would not announce support for anyone.

"As a matter of fact I expect to resign as an active party member," Mr. Weiss said. "Eight years is enough. Let a younger group take over."

There were reports from party sources that Mr. Weiss is in disfavor since an ill-fated "victory party" following last November's election left the Democrats over \$1,300 in debt.

F. Harold Kerwin of Le Roy and John Scopano of Oakfield, who waged a bitter battle for the chairmanship two years ago, both said they are not candidates for the chairmanship. Mr. Scopano won a contested decision and was upheld in the Courts, but he later resigned for health reasons and Mrs. Gill, the vice chairman, became chairman.

**Takes Self Out**  
"No, my health won't permit it," Mr. Scopano said this morning when asked if he would run. He said he would not commit himself to back anyone at this time.

Asked if he would be a candidate, Mr. Kerwin said "No, after that messy deal two years ago, I wouldn't want to go through that again." He said he would support Mr. Green "who actually is a Le Roy boy although he lives in Stafford."

Assemblyman Carmichael was not available for comment this morning, but reportedly told persons at the meeting that he is not a candidate for party chairman.

The person named at the March 23 meeting would serve only until this Fall since new committee members will be elected at the Primary. Parties must select new chairmen within 20 days after the Primary.

**Where Is He?**  
ASHEVILLE, N.C. (AP)—The examination of a witness Tuesday in the trial of four men charged with slaying a mountain housewife produced this exchange:

"Who is your father?" an attorney asked.

The witness gave his father's name.

"And who is he?" fired back the lawyer.

"He's my mother's husband." "Is he deceased?" the attorney asked.

"No, sir," answered the witness.

"Well, where is he?" "He's dead."
