

# COCAINE DEALERS ARE SENT TO JAIL

"Slim" Smith and "Fatty" Sullivan Held For Grand Jury In Default of Bail.

## BOTH MEN ARE NEGROES

Policemen Campbell and Moorehead Raid Mixed Ale and Cocaine Social Over in King Street Black Belt Thursday.

As the result of an investigation made on Thursday night by Police-men Campbell and Moorehead over in the "Black Belt" section of Lower King street, James Sullivan, alias "Fatty," and William Smith, alias "Slim Jim," both well-known negroes, were arrested on the charge of violating Section 1746 of the penal laws in the illegal sale of cocaine.

When the police entered the house at the corner of King and Third street about 11 o'clock, they interrupted a mixed ale party composed of ten negroes and four whites, of which there were nine males and five females. Great excitement prevailed and the party adjourned in haste. Smith put up a vigorous fight with officer Campbell, but the latter soon had him under control and landed him safely in the city jail on Sussex street. Sullivan made no resistance and came along with the officers.

In Police Court Friday morning the two defendants were arraigned before Justice Holbrook. "Fatty" pleaded guilty but waived examination. "Slim" was represented by Attorney Wilton Bennett and entered a plea of not guilty and also waived examination. Both men were held in \$200 bail to await the action of the Grand Jury.

This action on the part of the Police is the first of a series of "forward movements" toward the wiping out of certain law breakers and disreputable characters whose actions are well known to the city police and to which the attention of the courts and Grand Jury will shortly be called. This nefarious, debasing and criminal traffic in cocaine has been under surveillance by the police for some time, but there was nothing doing until some of the parties under suspicion could be caught with the goods. When "Slim" was gathered in last night, he had in his possession seven or eight small packages of cocaine which he endeavored to dispose of while resisting arrest. He also had in his possession receipts showing from whom he had secured the cocaine.

It is stated that certain negroes of whom "Slim" and "Fatty" were the ring leaders, are in the habit of securing from physicians on the pretense of being ill, prescriptions for cocaine, for which they are charged \$1, the same rate as an office call. They then get the prescription filled by a druggist at the rate of \$7 an ounce. This ounce of dope when divided up makes from 90 to 100 doses, for which the illegal dealer gets 25 cents from the numerous cocaine fiends prevalent among the negroes and whites. It is further stated that saleratus is used to adulterate the cocaine, and this makes the negroes very indignant when they learned of the deception!

The penalty for the illegal sale of cocaine is one year's imprisonment, or \$1,000 fine, or both.

Smith and Sullivan were taken to the county jail at Goshen Friday afternoon on Erie train 176 by Special Officer Lewis Steinbach.

## CASES IN SURROGATE'S COURT.

Several Matters of Estates Come Up Before Surrogate J. B. Sweezy.

At the March term of Surrogate's Court held in this city on Wednesday afternoon by Surrogate John B. Sweezy, of Goshen, final decrees of judicial settlement were entered in the estate of S. B. Claypool.

Clara Buckley and Charlotte Buckley were appointed administratrix of the estate of Matilda B. Wolvertson, of Port Jervis.

The bond of Max J. Mulhearn, executor of the estate of James C. Mulhearn of the town of Deerpark, was fixed at \$3,000.

William F. Rhodes was appointed administrator of the estate of Mary Rhodes, of the town of Forestburg, Sullivan county, N. Y.

## Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way of matters is to use

King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health restored. Help in coughs, colds, grip, croup, whooping-cough and sore lungs. Make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed All Druggists.

The United States in 1911 produced 217,000,000 barrels of petroleum, but 210,000,000 barrels in 1910.

## CORNELIUS L. WARING DEAD.

Prominent Republican Lawyer of Newburgh, Succumbed to Paralysis.

Cornelius L. Waring, a prominent lawyer of Newburgh, died at 8 a. m. on Wednesday, March 20, in his room in the Palatine Hotel, Newburgh, where he had boarded for some years. His death followed a stroke of paralysis with which he was seized last Thursday forenoon at about 11 o'clock while seated in his law offices in the Centennial building. This was the second stroke sustained by Mr. Waring and was much more severe than the first, a year ago last August, when, after being confined at St. Luke's Hospital for some time, he spent a couple of months in the south at Daytona, Florida. He never fully recovered from the effects, but was still able to conduct his business.

The deceased was born at Foster-town, and was a little over 61 years of age. His parents were Cornelius and Mary Waring. After attending the local schools, he began the study of law when about 20 years of age, with Judge M. H. Hirschberg, now Chief Justice of the Supreme Court, Second Judicial Department, and was admitted to practice at the bar in 1873. A short time later he went into partnership with former District Attorney Russell Headley, which continued until 1878, when Mr. Waring was elected Recorder of Newburgh. He retired from that office December 31, 1899, having been re-elected in 1881 and 1886.

Mr. Waring declined to be a candidate for a fourth term. During the twelve years which he served he presided at all sessions of his court, with the exception of about 20, and disposed of over 10,000 cases. His work as recorder was always marked by fairness and intelligence, and he made a most excellent record in the office.

Mr. Waring also held the office of Corporation Counsel of the City of Newburgh for fourteen years and discharged his duties with fidelity. In January, 1903, Mr. Waring was appointed attorney for the Comptroller of the State of New York in proceedings for the determination and assessment of transfer taxes in the County of Orange. As a lawyer Mr. Waring's work was always carefully prepared.

Mr. Waring has always been a Republican in politics, and for several years has been chairman of the City Committee of that party, in which his active and energetic work was always felt in campaigns. He was also a member of the Republican Club of the city of New York.

Mr. Waring held interests in many of the leading financial institutions and business houses of Newburgh and vicinity, and was a director in most of these. He was given to philanthropy, and many can testify to his liberality, which was always enacted in the quietest way possible.

## DROPPED DEAD NEAR HOME.

Prominent Susquehanna Business Man Expired Very Suddenly.

John Buckley, one of the oldest and best known men in Susquehanna, dropped dead Thursday noon in front of the residence of Joseph Meginnis, on Jackson avenue, that place, just a short distance from his home. Heart disease is given as the cause. Mr. Buckley had been for many years prominently identified with the business life of Susquehanna. For more than 35 years he had been engaged in the clothing business and a few years ago he was the leading clothier in that section of the country.

Mr. Buckley is survived by his wife and seven children: Four sons, J. T., an attorney who resides in Binghamton; Harry, of Jersey City, Carl and Arthur, of Susquehanna; three daughters, Margaret, of Elmira, Ella, of Brooklyn, and Sister Ancilla, of Williamsport.

## IN MEMORY OF OUR FRIEND.

Minerva Moore Trimmer.

Father, while our eyes are weeping, O'er the loss of our dear friend— Thou didst give and thou hast taken, And the loss we deeply feel.

Though cast down, we're not forsaken, Though afflicted, not alone, Thou didst give and thou hast taken. Wife, mother, neighbor, friend in one.

Thou' today we're filled with mourning, Thou hast taken but thine own, Lord of Earth and God of Heaven, Evermore Thy will be done.

—Martha Conkling Murphy, 11 Warren St., Binghamton, N. Y.

## Appointments For Sussex Men.

Governor Woodrow Wilson, of New Jersey, announced the following appointments, among others, on Wednesday:

State Board of Health—Dr. Jacob Cole Price, of Sussex.

Prosecutor of the Pleas—Sussex, William A. Dolan.

## What We Never Forget

According to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unrivaled for piles, corns or cold-sores. Only 25 cents at All Druggists.

Children Cry FOR FLETCHER'S CASTORIA

# BANQUET OF FIRE POLICE

Enjoyable Affair Held at Riverside Hotel by City Firemen On Wednesday Night.

## MANY SPEECHES WERE MADE

Fire Department Members and Several Officers Discuss an Excellent Dinner and Various Matters of Fireman's Interest.

Twenty-four members of the Port Jervis Fire Department, composed of the fire police, Chief Engineer Howard Wheat, several foremen and guests, participated in a banquet at Bamberger's Riverside Hotel on Wednesday evening, March 20, where, at nine o'clock a fine dinner was served and was enjoyed in a manner characteristic of the firemen.

For over an hour the company was kept busy with the consumption of the feast, and, at its conclusion, Chief W. J. Hendershot of the fire police, called the guests to order and in an informal manner spoke briefly of the fine social affair and the excellent dinner, the mutual benefit to the firemen and fire police of getting together more frequently and discussing matters of importance to the department.

Chief Engineer Howard Wheat and former Chief Engineer Edgar J. Harding spoke of the excellent work done by the firemen at the Hubbard Building fire on Front street on Wednesday morning, and the efficient service rendered by the fire police.

Toastmaster Charles L. Munnich then took charge of the proceedings and made remarks of an optimistic nature concerning the Fire Department and its police service which well merits the favor of the city of Port Jervis.

Informal remarks were afterward made by Messrs. A. W. Smith, C. D. Patterson, H. H. Farnum, R. D. Marion, Charles H. Lee, Fred Start-up, J. W. Carley, Fred Millsbaugh, Charles Kadel, J. A. Beebe, W. E. Millsbaugh, J. W. Stoll, William Brink, James Skelenger and A. L. Stage.

Elmer H. Ellis, a charter member of the fire police and in active service for 14 years, was the oldest fireman present and his remarks were heard with much interest by the young men.

To Mr. and Mrs. Bamberger was extended the sincere thanks of the firemen for the fine dinner which they had so well served and which had been arranged for by a committee composed of Messrs. A. W. Smith, W. E. Millsbaugh and J. W. Carley. Vocal and instrumental music, cards and cigars formed the diversions of the evening. The company returned to their homes, having had a most enjoyable time.

## LADIES' AID ELECTION.

Society of Drew M. E. Church Chose Officers For Another Year.

Thursday afternoon the Ladies' Aid Society of Drew Methodist Church assembled in the church parlors for their yearly meeting and election of officers. There was a large attendance, and a great deal of business to come before the society, which was satisfactorily transacted. The president, Mrs. S. Patterson, was in charge of the meeting. Being the last meeting of the year the payment of yearly dues was in order and some new members were added.

A food sale will be held in the church Friday afternoon, April 6th, Mrs. G. W. Quick and Mrs. Van Inwegen being appointed as committee in charge.

An unanimous standing vote expressed the desire of all to have Rev. S. Jones returned to the church this year. For this Rev. Jones thanked the ladies, saying that he hoped that he might be returned to Port Jervis. The secretary, Mrs. O. H. Hattler, read her yearly report, telling of much work that has been accomplished, the membership being almost a hundred.

Mrs. C. I. Peck, treasurer, gave a report of money received and expenditures for the year which proved very satisfactory. They have a balance of about two hundred dollars in the treasury.

Mrs. Patterson, after thanking the ladies for standing so faithfully by each other and by her through the past year, announced the election of officers, asking Mrs. J. Cuddeback to preside during election. Mrs. Cuddeback appointed Mrs. E. Van Sickle, clerk, and Mrs. G. S. Dawitt and Mrs. E. Starr tellers, and the following officers were returned to office:

President, Mrs. S. Patterson; 1st Vice-President, Mrs. J. Cuddeback; 2nd Vice-President, Mrs. D. Richards; Secretary, Mrs. O. H. Hattler; Treasurer, Mrs. C. I. Peck.

The officers thanked the members for the honor conferred upon them. Mrs. Patterson asked for their hearty co-operation through this coming year as during the past; Mrs. Peck thanked the ladies for their confidence in her, this making her nineteenth year as treasurer.

Members and their guests repaired to the dining-room where they were seated at the long tables and enjoyed

the delicious menu prepared and served by the capable ladies of the society.

## Epworth League Birthday Party.

Silk bags containing as many pennies as their owners were years old held a neat sum for the treasury of the Epworth League when they were counted at the Birthday Party of the league held at Drew Methodist Church Thursday evening. The social was a great success, everyone entering into the spirit of fun which prevailed during the evening. A piano solo by Miss Hazel Schoonmaker, vocal solos by Mrs. J. A. Wylie and Mr. C. I. Peck, Jr., a reading by Miss Helen Merriam, piano duet by Mrs. Luckey and Miss Lillian Lockyer, violin and piano duet by Miss Mildred Howe and Mr. Earl Williams were well received and heartily enjoyed. The participants in the program each responded to the encore. The receipts from the sale of home-made candy also added a neat sum to the treasury. Refreshments were served and enjoyed by all present.

## Juniors Held a Social.

The Junior Christian Endeavor Society of the First Presbyterian Church recently elected the following officers: President, A. W. Smith; Vice-President, Miss Esther Goodrich; Secretary, Master Frederick Mantal; Treasurer, Miss Lillian Garabrant. On Thursday afternoon after school the Juniors held a social in the chapel, having a happy time playing games, enjoying hugely each other's company and that of their Superintendents. Candles, ice-cream and cake were the refreshments so well enjoyed. The officers of the society had charge of the social. The superintendents are the Misses Augustine Stoll, Margaret Stevens and Florence Burkhardt.

## The Clam Chowder Supper.

The clam chowder supper served in the dining-room of the First Presbyterian Church Friday evening was a success from both a culinary and financial point of view. There was chowder a-plenty, which was fortunate as it was so appetizing that there were many calls for a second helping. The cabbage salad was just right, as also was the coffee. The tables were well filled, the diners coming and going continually during the hours of serving. The June committee of the Willing Workers, of which Mrs. Robert Hamilton and Miss Edith Fox are chairmen, through this supper netted a substantial sum for the treasury of the society.

## Organ Will be Dedicated March 31st.

Those who have been fortunate enough to see the new Austin organ which is being installed in the Presbyterian church, are enthusiastic over the addition it will make to the church auditorium and the fine appearance it will make when finally completed and the church is opened for services again. The combination of this organ and the noted organist, Mr. Arthur Depuy, will give great pleasure to all attending the concert of Friday evening. The organ will be formally dedicated at the morning service of the church, Sunday, March 31st. The Communion service coming at four o'clock that afternoon, there will be no evening service, so the dedication occurs in the morning.

## WANTED A LODGING PLACE

But Mr. Abers Told Suspicious Midnight Visitor to Move On.

About 1:20 o'clock last Wednesday morning, Mr. Clark Abers, who resides in the Redeker residence at No. 1 Pike street, was awakened by the continual barking of his dog, which was chained in the yard. At the same time Mr. C. Warner, a boarder at the house, had been aroused and, looking from a window, saw a man enter a door in one of the small buildings attached to the barn. Mr. Abers dressed and armed with a rifle walked out near the building followed by Mr. Warner. He demanded to know who was there and what was wanted. The intruder, who could be heard walking around, soon came out and when he took in the situation he was ready to wilt. He claimed he had come to town on a late train and was looking for a place to sleep and requested Mr. Abers to let him stay in the building. His request was denied and he was ordered to move on, which he did, taking the course directed by Mr. Abers, who marched him over the lawn to the street. As he passed out on Pike street under the electric light he pulled his cap over his face, no doubt feeling fortunate that he was allowed to go.

Several horses and a fine flock of chickens are housed in the building. The dog had been loosened from his chain and doors leading to the other buildings were opened. Mr. Abers, who acted in a cool manner, gave the stranger the benefit of the doubt as to his purpose in being there.

Children are much more likely to contract the contagious diseases when they have colds. Whoop-cough, diphtheria, scarlet fever and consumption are diseases that are often contracted when the child has a cold. That is why all medical authorities say beware of colds. For the quick cure of colds you will find nothing better than Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by All Dealers.

During 1910 and 1911 the United States agents handled 7,444,861,736 internal revenue stamps.

# VERIFY IT.

The Proof is in Port Jervis Almost at Your Door.

The public statement of a Port Jervis citizen is in itself strong proof for Port Jervis people, but confirmation strengthens the evidence.

Here is a Port Jervis citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home. John Sharp, 158 Pike St., Port Jervis, N. Y., says: "It is over twelve years since my first experience with Doan's Kidney Pills. At that time I had a great deal of heavy lifting to do and often suffered from intense pains in my back. The kidney secretions also became unnatural. I finally began using Doan's Kidney Pills and in a short time they disposed of the trouble."

The above statement was given January 4, 1908, and when Mr. Sharp was interviewed on September 22, 1911, he said: "I gave a public testimonial several years ago recommending Doan's Kidney Pills after they had cured me of kidney disease and I now willingly confirm all I then said. Many people have asked me about this remedy and I have always recommended it highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## We Hope That It Has Been

### A Profitable Winter For You

Whether your business is farming, manufacturing, merchandising, keeping boarders, etc., we wish you to succeed.

We will help you by paying you interest at 4% Per Annum on deposits in amounts of \$500, or over, if left intact for six months or longer. Interest begins on date of deposit, thus giving a much larger return than deposits in Savings Banks where interest begins only from January first, April first, July first and October first.

# FORD

Higher Than Ever in Quality— Lower Than Ever in Price.

FORD MODEL T famed for its service in all the highways of the world, is still of the same scientific, accurate and simple design; the same heat treated Vanadium Steel construction; the same light weight; the same economical car to own and operate.

There have been no mistakes to correct—no experiments to try out—but conveniences have been added and a marked reduction in price made possible through larger production and added factory facilities. FORD MODEL T has been, above all other cars, more extensively tested because more extensively used. More than 100,000 Ford cars are in operation today. Every fifth car in America is a Ford Model T. 75,000 must be made to supply the demand the coming year. Stronger evidence of value is not possible.

The Ford Motor Company devotes its entire efforts to the building of one model, one chassis but different bodies. Write for catalog and other descriptive book.
