\$50 Reward.
STOP THE THIEF!!!
ON Friday night, the 15th of September, inst. a man by the name of **WILLIAM ELTON**, left this village. Previous to his departure, he broke open a trunk belonging to the subscriber, and took therefrom upwards of Two Hundred Dollars. Before the theft was discovered, he purchased a Horse, Saddle & Bridle with the stolen money. It was a bay horse, two years old, long tail, very little mane, star in the forehead, long strip on the nose, and a remarkable fine horse of his age.

The Saddle was entirely new, cut buck tree, skirts inlaid with leopard skin, pad faced with seal skin, mock leopard housing trimmed with coal lace, and the label of *Wm. W. Watson* Geneva, beneath the small skirt—the stirrups full plate, with springs. Bridle, bit and bridoon, full plate.

ELTON is about 30 years old, 5 feet 9 or 10 inches high, of a sallow complexion, black hair, light blue or grey eyes, much sunk in his head, very slim, and thin in flesh, stoops when he walks, of a very suspicious appearance, by trade a Hatter, says he was brought up in Burlington, N. J. and has worked in Philadelphia, where it is supposed he has gone. He wore a snuff colored coat and brown pantaloons. He also took a note drawn to the subscriber nearly six years since by *White, Taylor & White*, of Troy, for \$80 and some cents, with an endorsement of about \$24.

The above Reward will be given to the person who will lodge him in the goal at Waterloo, Seneca county, or at Canandaigua, Ontario county.

Many certificates of its efficacy accompany each bottle.

For the satisfaction of the public, the following certificates are offered for perusal:

Having for some time been troubled with a cough, and pain in my side, which I was fearful would terminate in a consumption, after trying many different things without getting relief, I made trial of Anderson's Cough Drops, from which I found almost immediate relief, and from the use of two bottles only, entirely regained my strength.

J. MURRAY.
Claverack, May, 1818.

I hereby certify that I have for a number of years been troubled with a violent Cough and difficulty of breathing, and that by the use of three bottles of Anderson's Cough Drops, I was entirely restored to health.

RICHARD U. THOMPSON.
Philadelphia, Sept. 8, 1816.

I hereby certify that I have for fifteen years past been greatly troubled with a pain in my side or breast, and more or less cough and weakness of the lungs, so as not to be able to attend to my business without much pain, and have suffered very much with a wearing and debilitating cough. I procured a bottle of Anderson's Cough Drops, from the use of which a few days only, I found my pain and cough entirely left me, and my former strength restored. I attribute my relief entirely to the use of these drops.
