GOUVERNEUR ON TOES FOR BIG FOOTBALL GAME

Despite Reverses Last Saturday Team Is Preparing to Make Strong Stand Against Ogdensburg.

In spite of reverses suffered at Canton on Saturday, during which the Gouverneur High school football team lost to Canton High school by a score of 23 to 13, Gouverneur looks forward to a victory on Saturday next here when it will clash with the Ogdensburg Free Academy.

Gouverneur's defeat at the hands of Canton was unexpected. The dopesters had given the game to Gouverneur by a big score. Gouverneur, however, went into the game seriously crippled and with a line-up greatly weakened by events beyond its control. However, the members of the team are offering no alibi to explain its defeat, but are concentrating entirely on its next game against Ogdensburg when it hopes to recoup for its loss Saturday.

Many villagers accompanied the team to Canton Saturday. The game was played during the forenoon as the field was to be in use during the afternoon by the St. Lawrence university team. Many local persons remained also to witness the college game in the afternoon.

Ogdensburg expects to bring a substantial following to this village on Saturday to back up the team, and the game is expected to attract a large crowd interested in the school's welfare. The village has been deprived this fall of much football locally. Only two games on the League schedule were given to Gouverneur, Saturday's Gouverneur-Ogdensburg game and the Malone-Gouverneur game on the following Saturday. In consequence of this starvation for football a large crowd is expected to be present.

Canton high school defeated Gouverneur by the score of 23 to 13. The Canton team scored three touchdowns and a field goal. Schoen, husky halfback of the Cantonites, was the high scorer for his team, making two touchdowns, two points after touchdown and a field goal.

Gouverneur kicked off to Canton to start the game before a small crowd, which probably was due to the cold. Canton started like a house afire and proceeded to march right down the field to score in the first three minutes of play. Santimaw, plucky little fullback, did the major portion of the ball-carrying.

With five yards to go and with four downs to make the touchdown, Schoen plunged over the line. His drop kick for the extra point was blocked. On the next kickoff, Gouverneur began a march from their own 30-yard line and through the off-tackle running of Sprague, scored their first touchdown. Sprague also added the extra point by a line plunge.

Shoen fumbled after Canton had received the next kickoff, and Gouverneur recovered, converting the fumble into a touchdown. Canton then started its powerful offensive with Snyder and Santimaw carrying the ball to the five-yard line where Shoen scored his second touchdown. He dropkicked the point. Brotherstone made Canton's other goal by skirting left from the 20-yard stripe. Late in the third quarter, Shoen kicked a field goal from the 25-yard marker to finish the scoring for the day.

Neither team showed a good defense, although as the game progressed the Canton team tightened up somewhat. Hunter, quarter for Canton, played a pretty game, choosing his plays with the finesse of a veteran, as did McCulloch of Gouverneur. Santimaw, besides bucking the line efficiently, backed up the line to perfection, while the remainder of the Canton line played hard all the while. Sprague was easily the outstanding player on the Gouverneur team and Sullivan, guard, was the best lineman on either team.
