

This Date in History—June 27, 1864—The Battle of Gettysburg...

The Palladium

FRIDAY, JUNE 27, 1890.

QUAY.

Quay's record in 1888 is nothing for any political organization to be proud of...

AFTER THE PLUMS.

A pretty fight is going on here among Republicans for the patronage to be dispensed...

PATRIOTIC TAMMANY.

Tammany Hall, as its name implies, will observe the 114th anniversary of the Declaration of Independence...

THE NEW YORK PRESS, 1890.

Mr. Blaine's resignation for three trade "business" reasons...

by simple, yet impressive services that cannot fail to fire the patriotic ardor of those who participate in them...

AT LOGGERSHEADS.

The Washington Critic furnishes us a list of interesting gossip concerning the relations between the President and the Secretary of State...

That Mr. Blaine took virtually the same view of the matter as is indicated by Mr. Bayard's reply to the Critic...

The frontiers of Frank Leslie's illustrated newspaper for the week ending June 26th contains three plottings showing the start of the Alaska expedition on the long journey...

It is stated now on pretty good authority that the Republicans of the Second Oswego Assembly district have modified Representative Payne's talk...

Police Commissioner John H. McGraw is out in earnest in a candidate for the nomination for Sheriff in the Republican county convention...

Speaker Reed is said to be outspoken in his denunciation of Blaine's attitude toward the tariff...

It is reported as expressing their self-opinion as the public body, on being informed of the decision at Saratoga...

The protection journals are quoting that notorious liar, Ed Phillips, for the McKinley bill...

Whenever any bill of Congress is introduced, it is not that we should, in the most common manner, utter our plaudits of devotion to the principle...

Matches are made in great quantities in Oswego, and are sent to Chicago...

THIS AND THAT.

What our admittance ought to do next is to treat our citizens as we would treat our neighbors...

RECAPITULATION.

It is not that we should, in the most common manner, utter our plaudits of devotion to the principle...
