G. & H. BAREMORE,
PIANO FORTE MANUFACTURERS
WARE-ROOMS, 348 BLEECKER ST., N. Y.,
32 Years Established, and 27 Prize Medals Awarded.
Our Piano Fortes are now universally acknowledged by the most distinguished artists to be the BEST manufactured, and wherever they have been introduced and used, we are now required to say one word in their favor, their excellence stands pre-eminently to those of other makers; and from the great success achieved and improvements made by us in the last thirty years, we can afford to sell a first class Piano Forte at $100 to $150 less than a similar one can be bought elsewhere.
☞*Every Piano warranted for 5 years, and to give satisfaction.*
Our Pianos are made to last, the materials used for every part are thoroughly seasoned, and of the very best quality that can be procured. No part is slighted; what the public eye might pass over never escapes our vigilance. Every part, inside and out, is honestly, faithfully and thoroughly made, so that it will bear the most minute inspection. They differ from the loud, course tone of most Pianos (which is bad in the beginning and grows worse every day,) inasmuch as it is refined and delicate, pure in its vibrations, delightful in its singing capacity, and has all the power necessary to produce every desired effect. They are without doubt, the best, the most lasting and consequently the cheapest. We are content with a fair profit. Our prices, range from $300 to $500.
