HOUSEHOLD HINTS

Revive old fiber porch rugs with a coat of canvas paint. Leave rug on floor to paint it but put papers underneath to protect floor.

Wear can be distributed on large and small-sized rugs by turning them around from time to time.

Cutting one-fourth-inch notches in the edges of bacon or smoked ham with the scissors will keep it from curling when cooking.

Does your mixing bowl move away from you under the beating and stirring you do? Set it on a damp cloth and it will remain steady. A tea towel works fine for this.

Laces can be stiffened by rinsing them in a solution composed of one teaspoon of borax and a quart of water.

532

The Pinwheel, all-time favorite makes this large lovely square a must for every crocheter. Used singly or joined they're exquisite.

This crochet glorifies all rooms. No. 30 cotton makes 12 inch square, use heavier for 16 inch. Pattern 333 has directions; stitches.

80.6% of sufferers showed CLINICAL IMPROVEMENT after only 10-day treatment with SORETONE

Forster D. Snell, Inc., well-known consulting chemists, have just completed a test with a group of men and women suffering from Athlete's Foot. These people were told to use Sorotone. At the end of only a ten-day test period, their feet were examined in two ways: 1. Scrapings were taken from the feet and examined by the bacteriologist. 2. Each subject was examined by a physician. We quote from the report:

"After the use of Sorotone according to the directions on the label for a period of only ten days, 80.6% of the cases showed clinical improvement of an infection which is most stubborn to control." Improvements were shown in the symptoms of Athlete's Foot—the itching, burning, redness, etc. The report says:

"In our opinion Sorotone is of very definite benefit in the treatment of this disease, which is commonly known as 'Athlete's Foot'."

So if Athlete's Foot troubles you, don't temporize with this nasty, devilish, stubborn infection. Get SOROTONE! McKesson & Robbins, Inc., Bridgeport, Connecticut.

Make This Chair, Shelf and Cornice

IT IS a combination of things that harmonize that make a home cozy and attractive. This corner of a room that was furnished with next to nothing proves that.

The chair frame was made from odds and ends of lumber—no piece longer than 2 1/2 feet. The seat and matching cornice also were made of scrap lumber. The curtains and cushion are of an inexpensive cotton print.

This chair is made with pattern 235; the shelves with No. 207. The curtain idea is from the booklet Make Your Own Curtains. Booklet and patterns are 15 cents each postpaid. Please mail requests for booklet and patterns direct to:

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking, causes the kidneys to become overworked and full to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Star Dust STAGE-SCREEN-RADIO

By VIRGINIA VALE

THE build-up which Howard Hughes gave Jane Russell in "The Outlaw" certainly achieved its purpose; the picture has been breaking records wherever it's been shown, and Miss Russell's name and face were familiar to the public long before the picture was shown. But it's a question whether the reputation she's acquired won't handicap her in the

JANE RUSSELL

long run. She's beautiful, she's been working hard learning how to act, she's devoted to her husband and more interested in his career as a professional football player than in her own. But—those lurid ads were, to put it mildly, exaggerated. She deserves success as an actress, not merely as an under-dressed siren.

Republic Productions, Inc., is going to make Wild Bill Elliott into William Elliott, top-budget star, or else! One-half million dollars has been allocated for the publicity campaign. He's finished two million-dollar pictures under his present contract, "In Old Sacramento" and "The Plainsman and the Lady." The new contract calls for three pictures a year, with \$15,000,000 earmarked for the productions.

Columbia's "Jolson's Story" will introduce a third-dimensional technical effect that's said by technicians to be the best thing done in motion pictures; to date the best effect's been achieved in animated cartoons, by artists, not cameramen.

Mrs. Bettie-Sue Smith traveled from Uvalde, Texas, to Hollywood just to see her daughter, Dale Evans. Between picture-making at Republic and radio and personal appearance chores, Dale had no free time. Then—"They wrote me that 'My Pal Trigger' was showing at one of the theaters in Uvalde," said Mrs. Smith, "and I made up my mind I'd see more of Dale if I went home and saw the movie!"

A new air show starring Roy Rogers, Pat Buttram, Dale Evans, Gabby Hayes and the Sons of the Pioneers and Country Washburn and his orchestra will replace the National Barn Dance October 5. NBD's sponsors are switching to it after 14 years!

Dee Engelbach, producer-director of the CBS "Academy Award," believes listeners like fresh voices in supporting roles, and each week he introduces budding actors. E.G.L. Ira Grosel got an "Award" role, then was hired for the Dick Powell film, "Johnny O'Clock."

"Buck Rogers in the 25th Century" goes on the air September 30 on a Monday through Friday serial, 4:45 to 5:00 EST. Buck's been off the air since 1935. Another favorite of young people, "House of Mystery," returns October 6, Sunday afternoons.

Sydney Smith, star of the CBS "Richard Lawless," gets a new leading lady every five weeks. The current one is Vivi Janiss, who recently arrived in New York from Hollywood. She's blonde, five feet three, and hails from Omaha, Neb.

Frank Turner's back in Hollywood after traveling through Nevada and northern California, scouting towns with more than 10,000 population—acting as talent scout for a town, in other words. It must be just an average town, to be used as the locale for Robert Riskin's RKO picture, "Magic Town," starring James Stewart; five weeks of shooting will take place there.

ODDS AND ENDS—D'Arco makes his debut next week's "Carnegie Hall" portraying Tchaikovsky; he'll also conduct several orchestral sequences. . . . Viveca Lindfors, Swedish film star recently signed by Warner Bros., wears the biggest sun glasses in Hollywood. . . . Patti Clayton, of "Chiquito Banana" fame, who's done so well with her own air show, has been screen-tested by 20th Century-Fox. . . . Bob Burns hasn't made a movie for years, but his well-stocked farm will be the subject of a Scientific Films feature. . . . Harold Lloyd owns one of the country's largest bowling alleys, in Santa Monica.
