Miss America candidate Pays Newark Visit

Continued from Page 1

Pat wasn't too keen on the idea of being crowned Miss America, but after some thought she agreed to do it. She said she never thought she would end up as New York's first runner-up, which she said she will be proud to be.

Pat's title of Miss America is a real honor. She said she represents New York and the people I've seen at the parade. She said she's a girl from Newark and she's proud of it.

Pat's father, who is a real estate agent, said she's a very nice girl and she's very popular. He said she's a very nice girl and she's very popular.
