Coin-Metered Arcade Laundromat Laundry Store To Open Soon

Starting Friday, October 9th, homemakers in this area will have convenient, efficient laundry facilities at their disposal... for that date marks the Grand Opening of the new Arcade Laundromat located at 261 Main St. In order to introduce neighbors to its new Laundromat, owner Claris Persons will offer free washes on Monday, October 12 between the hours of 9:00 a. m. and 9:00 p. m.

The Arcade Laundromat will be unattended and coin-metered and will remain open 24 hours a day, 7 days a week, including Sundays and holidays. In order to provide a necessary, modern convenience for working people and busy housewives who can do their laundry only after normal business hours Mr. Persons has provided the most complete, most modern laundry facilities available, including 20 washers, 7 dryers, vending machines, music, lounge, etc.

The new Laundromat offers its customers many benefits. First, and most important, it provides all the advantages of doing the laundry at home—with none of the disadvantages. Customers can simultaneously use as many washers and dryers as they need in order to do an entire family wash, thus enabling them to finish a week's laundry in less than one hour. The store also provides plenty of hot, rain-soft water which, in turn, means cleaner, whiter washes as well as a saving on soap or detergent. Because the new Laundromat has no attendants and customers "do-it-themselves," they will save as much as 50% each week on their laundry.

Larry specializes in tractors. One of the farmer is looking for, namely, modern conveniences. He features them on as many tractors as possible in an effort to make the farmer more comfortable while at work.

Larry went on to say that he believes boys should be taught how to operate a tractor at an early age as an extra benefit to a farm. He has seven children, most of whom are taking an interest in tractors. One of his sons, nine years old, is a very good handler of tractors, apparently in an effort to measure up to his dad.
