

NELLIE SAYS: First of all, I'd like to say "Thanks A Million" to the wonderful group of fellows who built my beautiful new home. I'm afraid Luke and I shocked them a couple times with some of the new ideas we asked them to incorporate into my newest Super Duper — but they just blinked their eyes a little and went right to work! The result, as you will see, is a huge super market (10,500 sq. ft.) that still has a warm friendly glow! If I wore a hat, I would doff it to these men for a wonderful job—well done!
