Letter Writing Week Being Celebrated

The 22nd annual Letter Writing Week is being celebrated in Arcade during the week of October 4 to 10. It was announced today by Postmaster H. James Hyland.

I am sure we are all aware that a postal letter is not only an actual visit, the most intimate and economical means of communication with our fellow human beings. Accordingly, I urge everyone to "write today to those away!"

Posters, depicting a mailman in a new postal vehicle called the mailster, are being displayed in post offices throughout the country. Colorful streamers proclaiming that "Letters are fun to send and exciting to receive", are displayed on postal vehicles.

Postmaster Hyland stated that the special Week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.
