To Be Married

Miss Dorothea Michelsen, whose engagement to Carlos de Zafra of Rochester has been announced by her parents, Mr. and Mrs. Charles C. Michelsen, Fairville Rd., Newark RD.

Engagement Told Of Miss Michelsen To Rochester Man

The engagement of Miss Dorothea Michelsen, daughter of Mr. and Mrs. Charles C. Michelsen of Fairville Road, Newark, to Carlos de Zafra of Rochester, son of Mrs. Maude de Zafra of Rochester, was announced by her parents at a dinner on Sunday at their home.

The announcement was made by means of place cards at the dinner table. The table centerpiece was of daffodils and hyacinths, which were used as decorations throughout the house.

Guests at the dinner were Mr. George Michelsen and granddaughter, Ruth, of Rochester, Mr. and Mrs. George G. Muntz of Rochester, Mr. and Mrs. William Swartz of West Pearl St., Miss Carrie Schwartz, and Mrs. Lena Schwartz of West Union St.

A tea was held at the home in the afternoon. Guests at that time were Mrs. Sol Abernethy and daughters, Rose and Sarah, Miss Rose Rawlin, Mr. and Mrs. Roy Michelsen of Rochester, Mr. and Mrs. Elmer Lemke, of Lock Berlin and Mr. and Mrs. Clarence Witt of Fairville, and Dr. Harold Walters of Newark.

Miss Michelsen was valedictorian of her graduating class in 1925, from Newark High School where she earned a scholarship. She was graduated from the University of Rochester in 1929, where she had been made a member of Phi Beta Kappa, a national honorary scholastic society. Following her graduation, she taught for one year at East High School, Rochester. Since that time she has taught history and social studies at John Marshall High School in Rochester. Mr. de Zafra is a member of the faculty at Battavia High School.

The wedding will take place in the latter part of June.

Use Space Under Window

The lucky owner of many books is sometimes worried by the thought that he has not sufficient space to hold them in an orderly fashion. Built-in book cases may be tucked away in various corners, but if the window sills are suitably wide, a few shelves built under the window will be convenient and a solution of the problem.
