A "Bullywumpus Hunt" will be one of the features of the Spring Camporal of Wayne District Boy Scouts to be held at the Cutler Scout Reservation the weekend of May 31 to June 2, according to Laurence Rice, Newark camporal chief.

This novel event is a contest among troops, similar to "Capture the Flag", to hold the "bullywumpus" until the hunt is over and thereby gain possession of it as a souvenir of the 1940 outing, Rice said. Many Wayne troops have already signified intentions of attending the Camporal, which will be staged on the shore of Lake Ontario, just west of Webster Park.

Earl T. Doty, Newark, district commissioner, will act as first assistant to Rice in directing the event, with the remainder of his staff composed of community commissioners. No car manufacturer will take them at any price. Why should you be the fall guy? We want every car owner in town to ride on safe, first-line

tires. That's why we're making this fight—putting our special prices on first-line tires only. Generals—the tires that made America safety conscious regularly priced higher than the best of the rest—have always been worth many times the extra money. During this sale we're offering you Top-Quality, new, fresh General Silent Grip Tires at less than others ask you to pay for tires built cheap to sell cheap.
