PLAY and BY-PLAY

By DON BIRD

FRIDAY is a Red-letter day on the calendar at Newark High School. A good many "firsts" are on tap for that evening...

AS TO the team, itself, well, we were favorably impressed when we last saw the boys work out Friday. The key, of course, is the condition of Jimmy Hart's knee, which is slowly mending...

SALIENT fact of this group must be, excepting Hart, that none has had any varsity experience in another year they will be much improved...

Two experienced boys, George Quinlan and Rex Lyon, should lead the pack this year. Quinlan has shown some of the best basketball play in the city...

THERE are no major changes in the scholastic rules this year, although several technical shifts have been made. For instance, if a Waterloo man passed the ball hit a Newark man on the boundary line and bounced out, whose ball will it be?

ELKS BOMB HOLLOWAYS IN FEATURE

Antlers Win 7 Out of 8 Points to Boost Edge Over Bilottas

Newark Elks proved that they are not only the Wayne County championship team, but also top village quint, when they staged out a 3-point victory Sunday over Newark Holloways in the feature match of the past week in the loop.

Speaking of antlers, two local men have set their clocks for 1942 to repay a visit they had with a deer last week. Bill Heller and Stan Allen, while transporting their bundle of Newark Advertisers to Williamson on Thursday, nearly ran smack into a pretty fawn about to cross the road on the Mills farm at Sand Hill.

Meanwhile Bilottas, who had sweat a four-marker from Ontario Golf Club on Friday, were splitting with Sodus Nortons and, although they retained second, lost one point in their drive to catch Elks. Rolling against a 47 handicap, Bilottas took the first two lines by 51 and 40 pins, but dropped the finale by 121.

Turkey Run Ends -Local Motorcycle State Here Sunday

This Friday's matches show Elks rolling Lyons Holloways and Mason's meeting Lyons Elks, both here, while Bilottas invade Sodus Atlantics and Newark Holloways roll Clyde Shells at Lyons. Standings of the first six loop clubs are:
