Stove, Copper, Tin and Sheet-Iron ESTABLISHMENT. LIVE AND LET LIVE. ISAAC W. OVERHISER.

Poetry.

Coleridge pronounced the following sonnet, by the late Rev. I. Blanco White, the finest and most grandly conceived in our language.

Causes and Antidote of Consumption.

The larger the lungs and the more perfect their development, the less they are liable to pulmonary consumption.

American Orators.

[We continue our Sketches of Mr. Whitney's "Evenings with the American Orators and the Popular Poets."]

GREAT IMPROVEMENT AT THE BINGHAMTON FOUNDRY.

THE subscribers during the last year, have made improvements in their MACHINERY, and added largely to their Patterns for Mill Gearing...

Poetry and Eloquence.

To be a popular orator does not require the highest faculties of the human mind, but it requires the highest exertion of the common faculties of our nature.

Causes and Antidote of Consumption.

By what peculiarities is the Indian distinguished from the civilized American? Is the American Indian remarkable for the perfect symmetry of his figure.
