

Y To Establish Planning Com.

The YMCA of Buffalo and West Virginia will establish within the next 60 days a County Planning Commission active for the YMCA's activities in the Buffalo area. This committee will need to function on such areas as housing, recreation, and existing recreational facilities. The committee will be composed of representatives from the Buffalo and West Virginia YMCAs. The plan is to have this committee meet on a regular basis by working with the local government. The committee will provide information and assistance to the local government in the planning process. The committee will also be responsible for the development of a long-range plan for the Buffalo area. The committee will be composed of representatives from the Buffalo and West Virginia YMCAs, the local government, and other interested parties. The committee will meet on a regular basis to discuss the planning process and to develop a long-range plan for the Buffalo area.

It's A Fashion Countdown

It's a fashion countdown... The fashion world is always in a state of flux, and the latest trends are always being introduced. This year, the fashion world has seen a number of new trends, including the use of bold colors, geometric shapes, and a return to classic styles.
