

RATS are dangerous and destructive. They cause disease, ruin food and often bite babies.

A MESSAGE OF HOPE TO EVERYONE!

MY DEAR FRIEND — THIS MESSAGE IS TO YOU!
— ARE YOU SAVED? —

Have You Accepted Christ For Your Salvation?
If Not, Do So Today. Tomorrow May Be Too Late!
DON'T LET THE DEVIL FOOL YOU!
STOP AND THINK ABOUT YOUR SOUL!

I want you to know that **PEOPLE ARE LEAVING** every DAY! It could have been YOU! Stop, now! And confess to Christ. Repent and be saved!

Look all around you! This world is in a sad condition — wars, strife, starvation, LSD, dope, robbery, murder, rioting, rebellion — God is not pleased at all! Danger is on the loose! People have left God! Accepted Christ and have hope! Go back to Church! Someone reading this has backslided — and left the church. Go back — before God stops you. Remember, God sees EVERYTHING we MAKE!

Be honest with yourself. What is it you like so well that it keeps you from Christ?
Mothers and Fathers, take your children to church. Boys, girls, obey your parents. Quit whatever you are doing that's not right. Don't let the Devil get you in HELL!

Jesus said, "He that believeth and is baptized shall be saved, and he that believeth not shall be damned."
—St. Mark 16:16

Jesus also said, "Verily, verily, I say unto thee, except a man be born again he cannot see the kingdom of God."
—John 3:3

Remember, God loves all of us. WE need GOD! HE doesn't NEED US! Pray these seven words: "Lord, have mercy on me, a sinner."
