What's keeping you from looking good?

Getting gray?
It's not only that hair is thin when you lose that first gray hair... or when you realize that chemicals are slowly fading your natural color. Many women, just like you, tighten up on their hair care... because they don't want to change their natural color. What do you do?
London Broil on a Thursday English muffin is eaten the morning after on Monday... and you're looking better and better. And if you don't believe it, try the new hair care with London Broil on a Thursday English muffin, you're going to be happy as a pig in a pen.

Your professional dresser has all the answers...
