UN-RACIAL GENOCIDE (From page 2)

Here too, many of those who job at the foreign policy, pointing to the war, and demanding against the war, should and ought to do likewise against unprovoked homicides here in this country. It is in effort to reduce these barbaric acts to a minimum.

One very seldom hears of the un-racial genocide, except in some ghetto-business deals. It is hoped that 1973 will bring with it, noticeable improvement.
