The program, **Invited Neighbors**, is a Girl Scout Troop Council in the Camp Gibson venture by Camp Fire Girls, the YWCA, and the Girl Scouts. It will run from 9 a.m. to 3 p.m. each weekday, July 10, through August 18, and will include two meals, juice and snacks.

Girls who attend will have a wide choice of activities including nature study, swimming, handicrafting, dramatics and arts and crafts. Bus transportation and medical care also be provided free of charge.

Camp activities will be geared to the various levels involved and might include, for example, hiking, planting their own vegetable gardens, cooking, fishing and boating.

Mrs. Patricia Gordon and Mrs. Laughton D. Tuttle, Girl Scout field directors, will handle the summer assignment.

Call us before you start digging, and you won't have to call us later.

Last year, nearly 2,000 contractors, farmers, well-drillers and others who excavate had to stop what they were doing and tell us they dug up our phone cables.

Until our emergency crews could restore their service, our customers were not able to make phone calls.

You can prevent this disruption of service by calling us *before* you start digging.

A call to the Underground Utilities Locating Service's special number in Buffalo—893-1133—(call collect if outside the city) will quickly bring a telephone man out to mark the location of buried cables, if there is any, in your work area.
