**Fraudulence**

New standards for the composition and labeling of hot dogs and other cooked sausage was announced June 1, 1973, by the U. S. Department of Agriculture.

**Meat Dogs**

Under the new rules, one category of products would be made only from skeletal meat, which would include up to 25% poultry meat, plus "normal" ingredients such as added water, sweeteners and curing substances required in processing. To be labeled a "beef" product, all the meat must be beef.

**By-product Dogs**

By-product dogs are labeled accordingly. The word by-products" or "variety meats" would have to be prominently displayed on the label. By-products include such ingredients as hearts, tongues, lips, and jowls. The list of ingredients must state the name of each product.

**Similar Dogs**

Binder dogs including either of the two above formulas may contain up to 3.5 percent non-meat binders, such as cereal flour or milk cereal or dried whole milk or 2½ soy protein. Typical label would read "Franks with soy by-products, somebody dry milk added."

# Natural gas won't play hide-and-seek with you

you'll smell it first

When it comes out of the ground, natural gas is as odorless as it is clean. So when it arrives in our pipelines we add a chemical odorant called mercaptan to give it a spicy smell. Mercaptan always lets you know when gas is present.

It's a safety device we use so that should you ever smell it, you'll call Iroquois Gas. You'll find our phone numbers prominently displayed in the white pages of your phone directory — and also in display advertisements on pages with our listing in most phone books.

Why not look it up now and keep it near your phone for easy reference?

If you ever do smell gas and the odor is strong, open several windows and phone us immediately.

Natural gas is a faithful energy servant that's always on hand for your comfort and convenience.

But we make sure you know where it is if it isn't where it's supposed to be.

Reverend . . . . . Assistant

Sunday School was called to order by the Supt. Sis. L. Smith, at 10:10 a.m., singing "Glory On Me." Prayer was led by Deacon E. Turner. Due to the lateness of our teacher, the class was turned over to Deacon Turner.

The lesson was taken from Romans 1:16-25. The subject, "Ashamed of the Gospel." We have taught us that at our time in life, we were all sinners, saved by the grace of God and the blood of Christ Jesus. Many comments on the lesson were made by Bro. Moore, Deacon Turner and others. Rev. W. E. Turner reviewed the lesson, because of the absence of Pastor Turner, who was vacationing in Texas and Rapland, Ala.

At 11:00 a.m., the officers and members met for the morning service. Deacon E. Turner conducted the pallet and the choir's services. Mr. Carmel Choir rendered the song service.

Mrs. Oliver was at the organ and the piano.

Rev. W. E. Turner brought the message from Lev. 19:5,6,9, and Cor. 13:13. His subject "Love." His text was taken from Cor. 13. He spoke on beautiful as the spirit lead him. The message was based on the love of God. He said that we should love one another as Jesus commands us to do as true Christian believers and fellowers of Christ.

At 7:30 p.m., Mt. Carmel fellowshipped with St. James Baptist Church, 1100 Jefferson Ave., the Rev. William Holley, pastor.

St. James and the Mt. Carmel officers were in charge of the devotional service with Deacon Carmel's Assistant Pastor, Rev. Moore, brought the message from Matt. 26:27. His subject was, "The Last Supper." The message was so up-lifting, telling us of the last supper of our blessed saviour, here on earth.

A solo followed the message, "I'm Going Through" by Sis. Moore.

**A THOUGHT**

**Jesus said, "If I be lifted up from the earth, I will draw all men unto me. He has no respect of person."**
