IN MEMORIAM

IN MEMORIAM  
In loving memory of Donna my wife and mother of our children. Deep in our hearts lie a picture of a loved one laid to rest in memory's frame we shall keep it. Because she was one of the best. Sadly missed by her children Lisa, Billy and Becky and husband William Tuttle. 9-1-c

IN MEMORIAM

In loving memory of our daughter and sister Donna Helling Tuttle who passed away one year ago, Oct. 16, 1972. When the evening shades are falling. We are sitting all alone in our hearts there comes longing. If you only could come home. Through tears we watched you suffer, saw you fade away. Our hearts were almost broken, you fought so hard to stay. But when we saw you sleeping, so peaceful free from pain. Our hearts still ache with sadness, and tears just seem to flow. What it meant to lose you one will ever know. Sadly missed by Leo and Rose Helling, her Mom and Dad and Sisters and Brothers. 9-1-c

(Continued from Page 1)  
Amendment No. 3 - The purpose and effect of this proposed amendment is to expand the legislature's authorization to loan the money of the state to a public corporation and the use thereof by such corporation for the purpose of making secured loans to non-profit corporations to improve employment opportunities in any area of the state. Presently such secured loans may be made by a public corporation (and are being made by the Job Development Authority) to finance the construction of new industrial or manufacturing plants in the state. Under the terms of the proposed amendment, such public corporation (i.e., the Job Development Authority) would also be permitted to make secured loans to finance the construction of new buildings to be used for research and development, and for the purchase of machinery and equipment related to such industrial or manufacturing plants and research and development buildings. The proposed amendment would also increase the percentage that such public corporation may lend to non-profit
