lin; and "A Fantasy on the Twelve Days of Christmas" by Johnson. The Beaver River Stage Band will then present the rendition of "Rudolph The Red-Nosed Reindeer" by Ward and "Sleigh Ride" by LeRoy Anderson, both very lively arrangements. The Senior Chorus will conclude the first part of the program with "The Little Drummer Boy" by Cacavas and "A Christmas Festival," a medley of songs by LeRoy Anderson. In the second half of the program, the Senior Chorus under Mr. Perry will perform "The Christmas Cantata," by John Peterson. The cantata is an extended vocal composition, which depicts the story of Christ's conception and birth, by means of soloists, narrator, men's and women's chorus pieces and full chorus. The music is of a quasi-modern nature, but richly composed with fine melodies and profoundly religious texts and structure, based directly on Biblical sources.
